Warm, witty characters will make you want to meet them again
Von Ein Kunde
From the very first chapter I started to feel about Emma Lord and Vida Runkel as they were my personal friends. Small town mysteries always were my favorites because they tell about people more than about crime. Alpine is as much a character as detective Milo or terrible Rodger. The charm of this small town makes you want to visit this place or, at least, stop for a minute our endless run and look at the people and world around you.

Mary Daheim's Alpine Series
Von Mandy Morreale
I just started reading Mary Daheim's Alpine Murder Mystery Series. I find that Emma Lord and Alpine are very intriguing and interesting, and I had a hard time putting the book down. I will definitely continue reading this whole series. If you like lite murder mysteries, then this is the series for you. Mary Daheim takes her characters to the level where you want to know more and more.

I greatly enjoyed The Alpine Advocate, and am looking forward to reading the rest of the series. One of those great books you just can't put down!

Kurzbeschreibung
The debut of the Emma Lord murder mystery series. After a year as publisher-editor of the Alpine Advocate, Emma Lord feels fine about her move to this small town in the foothills of Washington's Cascade Mountains. What she really needs for her paper, though, is a big story. And she gets it--when handsome Mark Doukas, grandson of rich, old Neeny Doukas is murdered. Emma discovers that trying to get straight answers out of Neeny and his thin-lipped son is like poking a nest of sleeping rattlesnakes. What begins with an innocent story about the murdered man, ends with Emma conducting the most interesting, and probably the last, interview of her career from the wrong end of a .38....
From the Paperback edition.
