KurzbeschreibungMatthew Jonathon Parker planned every aspect of his day. From the time he woke up until the exact minute he crawled back into bed, his day was set. He wasn't the kind of man to seek out other men in chat rooms. He certainly wasn't the type to fall in love with someone he only knew from typed words. After a six-month online affair, Matty agrees to meet Jay in Florida for a weekend getaway. Only Jay isn't what Matty expected; although, perhaps he should have known it was too good to be true. After all, Jay's screen name AlwaysMJ stands for 'Always making jokes'--or does it?
