**Von Crystal Bowling : Always on the Run (Always the Bridesmaid Book 2) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Always on the Run (Always the Bridesmaid Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Loved it!!!Von Kindle-KundeI don't get, why this book has so many bad reviews! The heroine is quirky, but not annoying. I

haven't wanted to slap some sense in her (which I want to do often)!!! I like that the Hero isn't some over-the-top superman! Aunt Millie and Gramps were a hoot!!! They had me laughing my a.. off! I would buy it again, recommend it to friends and I will look out for other books by the Author!!!2 von 2 Kunden fanden die folgende Rezension hilfreich. Finally a good oneVon -KundeThank You, Ms. Bowling, for re-establishing my faith in unknown e-books. I've downloaded quite a number of them since I got addicted to an e-reader but so many - at least those written by authors unknown to me - turned out to be lacking in spelling, punctuation, plot, research, or voice. I know it's a lot to ask but if somebody can't do it, they should not publish a novel. Let me just assure you that you can do it. I read both of your novels, hardly being able to stop in between, and I liked the fact that you are able to combine chick-lit topics and personalities that go deeper than clothes and make-up. So I hope I'll be able to read more of that. I'm convinced that your fantasy and writing skills will be able to come up with it.

KurzbeschreibungMy sister is marrying my ex-boyfriend.When is an acceptable time to start day-drinking? Jamie has tried for years to be in complete control of her life. She has to-do lists, calendars and plans to keep her life running smoothly. The thing is, life isn't quite going along with her agenda: she was fired from her job as a charter bus driver (for something that was SO not her fault), her ex-boyfriend just popped the question to her older and perfect sister, and her eccentric great aunt keeps fixing her up with stuck-up rich boys. For all the plans she makes, Jamie may come to realize it's the moments in life that she never saw coming that are the ones to write down.Cover Photo Information: Portrait of a woman holding heart shaped balloon Vadymvdrobot | Dreamstime.comKurzbeschreibungMy sister is marrying my ex-boyfriend.When is an acceptable time to start day-drinking?
