My favorite book from the seriesVon JulesI love all of them, each and every couple of this series has their own charm, but Damon and Willa... WOW. There's nothing better than those two out there. If you're one for heartache and pain, love and laughter, sighing and melting, you need to get this book in your collection. I kid you not. Buy it. All of them.Every. Freaking. Airicka. Book. She was goodness and strength and she made him human.How could someone so broken complete her?Willa McClain had it all, a family that adored each other, the love of an entire town and a future she worked her butt off to get. But all she wanted was the boy with the sad blue eyes and the crooked smile. He was her best friend, her protector and the only one who really understood her.How could a love like theirs be extinguished?But nothing ever lasted forever.
