I enjoy her creative writing. This is a short but oh so sex fill novella. If you love shifters and vampires this is your go to read. Yates is a very old vampire. He has

taken the profession of a photographer of beautiful models. Yates has become numb to society and people around him. Yates has learned and developed how to get by and take just enough to live. Glancing at a magazine he is drawn to a beautiful woman with lavender eyes. Entrapped in her spell all he can think about is her, Kelly. He must have her, the demon in him craves her. This is his true mate. Kelly is a shifter, panther. Shifters and Vampires have never worked well together. There has always been a hatred for each; somehow love crosses boundaries with these two. Can Yates and Kelly find a way for true love to shine through? Read this steamy story and this will set you on course of fantasy with Mandy Roths books.
