Von J.R. Rain : American Vampire (Vampire for Hire Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised American Vampire (Vampire for Hire Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Gut, aber viel zu kurzVon javelinxSamantha Moon, einst normale Ehefrau und Mom, nun Vampir und Privatdetektivin, knnte eigentlich ganz zufrieden sein - sie kann ihre Kinder wieder sehen und braucht ihren Ex-Mann nicht mehr zu frchten. Die Freude whrt nicht lang; ihr Sohn erkrankt schwer, und obwohl die rzte alles Erdenkliche tun, schlagen

Sams bersinnliche Instinkte Alarm. Als sich ein kleines Mädchen auf ihrem Handy meldet und ihr nur sagen kann, da ein böser Mann ihrer Mama und ihr schlimme Dinge antut, gehen Sams Mutterinstinkte auf Maximum, und sie bietet der Polizei ihre Hilfe an. Um auch noch etwas zu verdienen, nimmt sie den Auftrag eines Museums an, einen Kunstdiebstahl aufzuklären - von irgendetwas muss man als alleinerziehender Vampir ja schließlich leben... In Folge 3 erlebt man Sam, die einem schon richtig ans Herz gewachsen ist, nochmals von verschiedenen Seiten. Diesmal wirkt sie nicht so tough, und wie sie bei ihren verzweifelten Bemühungen, die kleine Maddie zu finden, fast ihre eigenen Sorgen vergißt, nimmt einen weiter für sie ein. Ihr anderer Auftrag geht darüber fast in den Hintergrund, sieht man einmal davon ab, da Sam immer mehr ihre bernatürlichen Instinkte einsetzt, um auch bei ihrer Arbeit zu Ergebnissen zu kommen. Um Maddie schneller finden zu können, sucht sich Sam noch einige Verbündete, die unterschiedlicher und interessanter nicht sein könnten - Jim Knighthorse, einen anderen Detektiv (dem J.R. Rain eine eigene Serie gewidmet hat), Spinoza (noch ein Kollege mit eigener Serie und ungewöhnlicher Vorgeschichte) sowie einen etwas älteren attraktiven Herrn, der Sam merkwürdig bekannt vorkommt - hier erwartet den Leser noch eine Überraschung. Inmitten dieser ganzen Turbulenzen geht fast unter, da Sam nun endlich ihren geheimnisvollen Chat-Partner Fang trifft. Wer sich dahinter verbirgt, ist eine große Überraschung, die sich aus den Hinweisen der ersten beiden Folgen nicht errahnen lie. Sam ist wegen Fang hin- und hergerissen; einerseits ist er sehr attraktiv und an ihr zuerst interessiert, aber andererseits will sich das grenzenlose Vertrauen und die Unbefangenheit, die sie während ihrer Chats gewonnen hat, einfach nicht wieder einstellen. Außerdem - was wird aus ihrer sich anbahnenden Romanze zu Kingsley? Am Ende dieser Folge hat Sam zwar ihre Fille gelöst; alle anderen Handlungsstränge brechen einfach ab, was einen als Leser schier zur Verzweiflung treibt, weil man lauter Cliffhanger und keinen Abschluss hat. Die Geschichte ist einfach zu kurz, was für die Klasse der Story spricht, aber auch für Frust sorgt. Da wirkt es schon fast wie ein Witz, da die letzten 20% des eBooks mit allerlei Previews aufgefüllt sind, die man z.T. schon kennt (u.a. Auszüge aus Folge 1, die die meisten schon gelesen haben dürften, und aus VAMPIRE LOVE STORY, das bestimmt viele Vampir-Fans auch schon kennen). Mir wäre da eine längere Geschichte deutlich lieber gewesen, gern auch zum höheren Preis. So muss man wohl oder bel auf Folge 4 warten; für MOON CHILD gibt es leider noch keinen Erscheinungstermin. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Gut, aber ... Von Claudia Ich lese die Samantha Moon Romane wirklich gerne, aber was ich schrecklich finde, ist die Angewohnheit, mit einem Cliffhanger zu enden, durch den spannende Handlungsstränge erst im nächsten Teil aufgelöst werden. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Habe die ganze Reihe nicht ohne Grund Von Joe Zwar nicht so gut, dass man es nicht mehr aus der Hand legen will, aber lesenswert. Habe jetzt alle aus dieser Reihe und hab es auch noch nicht bereut.

Kurzbeschreibung Mother, wife, private investigator...vampire. Six years ago federal agent Samantha Moon was the perfect wife and mother, your typical soccer mom with the minivan and suburban home. Then the unthinkable happens, an attack that changes her life forever. And forever is a very long time for a vampire. Now in AMERICAN VAMPIRE, private investigator Samantha Moon receives a heartbreaking phone call from a very unlikely source: a five-year-old girl who's been missing for three months. Now on the hunt, Samantha will use her considerable resources including her growing supernatural abilities to locate the missing girl before it's too late. And as she gets closer and closer to the horrible truth, she receives devastating news on the home front. Now with her world turned upside down, Samantha Moon is forced to make the ultimate choice of life and death. And through it all, she discovers the identity of one mysterious man...a man she has grown to love. **Acclaim for the Novels of J.R. Rain** "Gripping, adventurous, and romantic J.R. Rain's The Lost Ark is a breakneck thriller that traces the thread of history from Biblical stories to current-day headlines. Be prepared to lose sleep!" JAMES ROLLINS, international bestselling author of The Devil Colony "I enjoyed this immensely. The protagonist, Samantha Moon, is a female vampire with a husband and children. Those predate her condition; six years ago she was attacked by a vampire and rendered into one. Now she's trying to carry on with family and private eye business, and she's a feisty, skilled person, so is doing mostly okay. It is not a horror story; she buys animal blood to eat and doesn't generally prey on humans. But her husband has an increasing problem with her coldness not of spirit, but of body. 'You sicken me and scare the hell out of me,' he tells her. 'And when I touch you it's all I can do to not gag.' She replies, 'Words every wife wants to hear.' I love this! What makes it special are her character and nature." PIERS ANTHONY, New York Times bestselling author of Trail Mix: Amoeba "Dark Horse is one of the best books I've read in a long time! A great classic detective story with a modern twist. Unique and interesting characters (I think I'm half in love with Jim Knighthorse now!), a great plot that kept me guessing until the end, and some of the funniest lines I've read anywhere." GEMMA HALLIDAY, bestselling author of Deadly Cool "Impossible to put down. J.R. Rain's Moon Dance is a fabulous urban fantasy." APRIL VINE, author of Intrigue In India "Moon Dance is absolutely brilliant!" LISA TENZIN-DOLMA, author of Understanding the Planetary Myths "J.R. Rain is the new modern master of vampires." H.T. NIGHT, bestselling author of The Werewolf Whisperer "I love Jim Knighthorse! Please write faster, Mr. Rain!" ELAINE BABICH, #1 bestselling Kindle author of Falling Down "Moon Dance is a must read. If you like Janet Evanovich's Stephanie Plum, bounty hunter, be prepared to love J.

R. Rain's Samantha Moon, vampire private investigator."EVE PALUDAN, author of Letters from David"I totally loved The Body Departed. As someone who communicates with those who are either earthbound or have crossed over your descriptions and interpretations of the dialogue and circumstances could not have been written more accurately."JULIE BELMONT, author of The Path to Personal Success and Freedom"I thoroughly enjoyed The Vampire With the Dragon Tattoo from one of my favorite authors. A great way to spend a few hours of the afternoon."JEN ASHTON, #1 bestselling Kindle author of Monstrous Love"Powerful stuff!"AIDEN JAMES, bestselling author of Plague of Coins"Jim Knighthorse is a throwback to classic detectives, which is probably why I love him so much. Funny, street-smart, and tough as nails. I love this series."SUMMER LEE, author of Angel Heart
