Von Lauren Royal : Amethyst (Chase Family Series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Amethyst (Chase Family Series Book 1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Neue Autorin, netter Plott, furchtbar geschrieben.. Von Sands Kay Amethyst Ich bin froh Roman kostenlos heruntergeladen zu haben. Der Plot wr interessant und gut gewesen und eine fhige Autorin htte viel draus machen knnen. (Am

interessantesten fand ich noch die Autoren Anmerkung am Ende. Das eigentliche Buch ist übrigens nur ca. 300 Seiten.) Viele Logikfehler, falsche Vorstellungen der Zeit, dumme, unpassende Streiche vermiesen mir das Lesen ebenso wie ein selten dumlicher Held. Probleme werden künstlich geschaffen um sich dann ganz leicht zu lösen; na sowas... Vorsicht Spoiler-Anfang: Ein Peer des Königreiches kann nicht einfach illegal in einer "freien Kirche" heiraten. Da braucht es schon eine Speziallizenz vom Bischof! Ein wertvolles Reitpferd kann man nicht irgendwo bei Nacht(!) ohne Schutz in einer miesen Gegend abstellen. Das war innerhalb Minuten weg gewesen. Wie bald er sich beim Vater seiner (Ex-)Verlobten anstellt! Das hätte er für sich so vorteilhaft verhandeln können! So ein Trottel! Seine Frau liegt in den Prewehen und er will ihr davon völlig unbeeindruckt erzählen, da er ihr doch ein Goldschmiedewerkstatt einrichten konnte, und da die ihm einen neuen Siegelring machen muß. Auch nett: gerade ist das Kind geboren und er bedauert, da er sie nicht vernaschen kann! Spoiler-Ende. Ich hätte die Datumsangaben der 5-Sterne-Bewertungen beachten sollen. Alle sehr kurz nacheinander, typisch für Fake-Bewertungen.. Gut, es ist das erste Werk der Autorin. Deshalb auch zwei Sterne statt nur einen! 1 von 1 Kunden fanden die folgende Rezension hilfreich. cant finish it Von Miss H deleted this book from my kindle after 100 pages. cant bring myself to go on reading this book. writing is not bad but somehow does not interest me. 1 von 1 Kunden fanden die folgende Rezension hilfreich. A very good first book Von Barks Book Nonsense Amethyst "Amy" Goldsmith, daughter of a jeweler, is an accomplished and talented jewelry maker who loves her craft and has a great passion for her work but her personal life is hardly as fulfilling. In just two weeks she will be wed to a man whom she does not love - a man who plans to keep her away from her work to make babies and keep his house. Amy longs for love but will not hurt her father by backing out of the unwanted marriage. One day Colin Chase "Earl of Greystone" walks into her family's store and they make an immediate connection but, sadly, he is far out of her league. These first few chapters are wonderful and really hooked me. The historic details are interesting and plentiful and Amy is presented as a likable and compassionate character full of life, dreams and motivation. Then a devastating fire destroys her life and changes everything. She now has the opportunity to take charge of her life but first is rescued by Colin who takes her to his home so she can heal from her physical and emotional wounds. She quickly finds love and acceptance amongst Colin's siblings but receives only the cold shoulder from Colin who wants her gone as soon as possible. Amy decides she wants Colin and comes up with one excuse after another to stick around. It was Colin's attraction to Amy that impelled him to rescue her and it is that same attraction that makes him want her out of his sight as soon as possible. Colin is betrothed to a "titled" woman and has already spent a good portion of the woman's dowry and sees no way to get out of it. And, let's be real, he doesn't want to. For the majority of the story money and titles are more important to Colin than love and it's here that the book lost the most of its appeal for me. Colin and Amy are wildly attracted to each other and obviously belong together but he stubbornly refuses to break off his betrothal. This makes him come across as extremely selfish. Amy deserved so much better. Amy, unfortunately, loses some of her charm because she is forced into the role of pining away for the stubborn Colin instead of concentrating on getting back on her feet. The jewelry crafting, which was such a huge part of her life, takes a back seat to thoughts of Colin and this was very disappointing. This story is a good choice if you like your books steeped in historic detail and don't mind love-stubborn heroes. The author has an obvious love for her time period and weaves in interesting tidbits whenever possible. Although Colin didn't turn out to be my idea of a hero I do look forward to the forthcoming stories about Colin's siblings who were lovable characters.

Kurzbeschreibung A Top 10 Kindle Bestseller from a New York Times Bestselling Author! London, 1666: Amethyst Goldsmith makes dazzling jewelry, but her future isn't nearly as bright as the pieces she creates. Though custom dictates she wed her father's apprentice, her heart rebels against the match. In mere days Amy will be condemned to a stifling, loveless marriage, and she sees no way out until the devastating fire of 1666 sweeps through London, and tragedy lands her in the arms of a dashing nobleman who knows a diamond in the rough when he sees it... Colin Chase, the Earl of Greystone, has his future all figured out. He's restoring his crumbling castle and estate to its former glory, and the key to its completion is his rich bride-to-be. But the Great Fire lays waste to his plans, saddling him with trouble in the form of a lowly shopkeeper's daughter with whom he's most inconveniently falling in love... PLEASE NOTE: This book contains steamy love scenes. If you'd prefer to read a Sweet Clean (kisses-only) version of this story, look for The Earls Unsuitable Bride by Lauren Royal. Devon Royal. BOOK DETAILS A complete, standalone story no cliffhangers!
