Von Jo Walton : Among Others (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Among Others (English Edition):

Kurzbeschreibung It doesn't matter. I have books, new books, and I can bear anything as long as there are books. Fifteen-year-old Morwenna lives in Wales with her twin sister and a mother who spins dark magic for ill. One day, Mori and her mother fight a powerful, magical battle that kills her sister and leaves Mori crippled. Devastated, Mori flees to her long-lost father in England. Adrift, outcast at boarding school, Mori retreats into the worlds she knows best: her magic and her books. She works a spell to meet kindred souls and continues to devour every fantasy and science fiction novel she can lay her hands on. But danger lurks... She knows her mother is looking for her and that when she finds her, there will be no escape.

Pressestimmen A hymnal for the clever and odd--an inspiration and a lifeline to anyone who has ever felt in the world, but not of it. Cory Doctorow, "New York Times" bestselling author of "Little Brother" "If you love SF and fantasy, if reading it formed your teen years, if you do remember the magic you used to do, if you remember the absolute joy of first discovering those books, then read this. Robin Hob, "New York Times" bestselling author of "Assassin's Apprentice" "A lovely story, unlike anything I've ever read before: funny, "touching, and gently magical. Patrick Rothfuss, "New York Times" bestselling author of "The Name of the Wind" "A hymnal for the clever and odd--an inspiration and a lifeline to anyone who has ever felt in the world, but not of it." --Cory Doctorow, "New York Times" bestselling author of "Little Brother" "If you love SF and fantasy, if reading it formed your teen years, if you do remember the magic you used to do, if you remember the absolute joy of first discovering those books, then read this." --Robin Hobb, "New York Times" bestselling author of "Assassin's Apprentice" "A lovely story, unlike anything I've ever read before: funny, "touching, and gently magical." --Patrick Rothfuss, "New York Times" bestselling author of "The Name of the Wind" "A wonder and a joy." --"The New York Times" "Compelling... Never deigning to transcend the genre to which it is clearly a love letter, this outstanding (and entirely teen-appropriate) tale draws its strength from a solid foundation of sense-of-wonder and what-if." --Publishers Weekly, "starred review" "Beautifully crafted... "Among Others" calls to those who desire a wild, magical world in place of the one they have but eventually learn that their own lives are the greatest story of all." --Bloomsbury "There are the books you want to give all your friends, and there are the books you wish you could go back and give your younger self. And then there's the rare book, like Jo Walton's "Among Others," that's both." --io9.com "An utterly amazing and beautiful book." --"RT Books," "Top Pick" "A wonder and a joy. "The New York Times" Compelling... Never deigning to transcend the genre to which it is clearly a love letter, this outstanding (and entirely teen-appropriate) tale draws its strength from a solid foundation of sense-of-wonder and what-if. Winner of the 2012 Hugo Award for Best Novel. Winner of the 2011 Nebula Award for Best Novel. Startling, unusual, and yet irresistibly readable, Among Others is at once the compelling story of a young woman struggling to escape a troubled childhood, a brilliant diary of first encounters with the great novels of modern fantasy and SF, and a spellbinding tale of escape from ancient enchantment.
