Steaming Hot Von HelleI have been a long and hard wait for the second installment in The Simply Breathtaking series, but it was worth it. To finally follow Jenna and all her men again was a true joy and I must say that the author had upped the heat in Jennas love life. Jenna battles her emotions and hormones for the regular men in her life and for a

hot new man. It all ends with a bang that will leave you panting and desperate for more. Its going to be torture to have to wait for the 3 book in the series. So if you love erotica with unexpected twists and turns, then hurry up and read Ample Attraction. I promise that you wont be disappointed.

KurzbeschreibungGet ready for passion to explode. A sexually deprived boss, and her hot sexy heartpounding, Australian kite surf instructor. Andy is saucy, delicious, and astonishingly beautiful. Jenna catches Andy having sex while on duty revealing more of him than she has ever seen before. Her nerve endings are zapping, endorphins pumping. She is hungry for him. Torn between being his boss, or personal play toy. She wants to succumb to her wildest of dreams with the ultimate ladies man, especially after spotting his plentiful package. Jenna has a maddening ache for her sex button to be touched, however, with an old flame returning she finds herself thinking of more than one lover at a time. Its hot, humid, horny, hard, and huge. All hands on deck. Can the kite surfer from Tropical North Queensland be all that? Is he the one that will be gliding his hand up her inner thigh? He knows how to have a good time. Set on an island in The Great Barrier Reef, Australia. KurzbeschreibungGet ready for passion to explode. A sexually deprived boss, and her hot sexy heartpounding, Australian kite surf instructor.
