Von Duncan Whitehead : An Actor's Life: A Dark Comedy (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised An Actor's Life: A Dark Comedy (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. 5 starsVon The Wizard of OzA nice, easy read that first grabbed my attention with it's title (I love the arts of any kind). If only for the attention to detail for Oscar night, grab a copy and enjoy the ride.0 von 0 Kunden fanden die folgende Rezension hilfreich. Another Great Whitehead BookVon ZappleHaving enjoyed Duncan Whitehead's longer pieces,

The Reluctant Jesus for example, you kind of know what to expect. Good quality writing, quirky characters with dark humour throughout. An Actor's Life is about two British actors, one at the Oscars hoping to score a double triumph and the other stuck in his dingy London flat. It reminds me of a film I once saw starring Peter O'Toole, an acclaimed actor who's assassinated and then spends his time with his assassin in a hotel in heaven. Can't for the life of me remember the title. I digress, this is another splendid story with a surprising twist at the end and, being a short story, perfect for a lunchtime read. 5 stars!0 von 0 Kunden fanden die folgende Rezension hilfreich. A look behind the curtainVon ConvokeShort stories are the hardest form to master -- and Duncan Whitehead demonstrates his mastery in "An Actor's Life - A Short Story. Filled with wit, irony, and an abiding sense of character, if you love movies, the stage, or reading you'll love this story, and come back for more of whitehead's work. I'd never read whitehead before and can't imagine how I missed his sophisticated voice. Highly recommended.

KurzbeschreibungFrom Award Winning and Best Selling Author Duncan Whitehead, comes a short story with a twist.....It's Oscar night, and the world holds its breath to see if Sir Michael Brookes not only wins the best actor but also the best supporting actor award, which would take his tally of Academy Award wins to an unprecedented six. Meanwhile, his biggest fan and fellow actor Terry Sparkes watches the ceremony alone in his dingy London apartment unaware that this evening will change his life forever.....but have Terry's and Sir Michael's paths crossed before? From the Author of The Reluctant Jesus and The Gordonston Ladies Dog Walking Club Trilogy.KurzbeschreibungFrom Award Winning and Best Selling Author Duncan Whitehead, comes a short story with a twist.....It's Oscar night, and the world holds its breath to see if Sir Michael Brookes not only wins the best actor but also the best supporting actor award, which would take his tally of Academy Award wins to an unprecedented six.
