Promise was good this is even better. Their love story continues with highs, lows and lots of drama in the battle of good vs evil and love vs hate. Alexis goes through a real rough ride in her life and her emotions in Purpose. The first part is about how Alexis is dealing with Tristan's disappearance and being a mother to Dorian the second is more of a roller coaster journey and you will be gripped to the edge of your seats as the story pans out. This is a real intense ride in Purpose and you will feel like you are feeling exactly what Alexis goes through. Kristie Cook has outdid herself with Purpose and is definitely on to a winner with her Soul Savers series. You will read this book in no time as I did if you enjoyed the first one. Kristie Cook is exceptional at keeping you tingling for more and making your emotions running wild with her gripping story lines. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Brilliantly written! Von IngaKSPurpose starts 7 years after Tristan had to leave Alexis. They had a very short honeymoon, which was interrupted by Daemoni attack. Alexis is still waiting Tristan to return. After 7 long years, her mind is getting very tormented and dark. She is not willing to believe that Tristan is dead even though for 7 long years she has not seen or heard anything about him. Even when she sees a video of somebody killing Tristan, she still has faith that Tristan will return. The pressure from outside to Alexis for moving on gets bigger, the council is still hoping that Alexis will also give a birth to a girl who could take a lead of Amadis. Alexis only wants Tristan. I loved the way writer developed Alexis' character. Alexis grows stronger as a woman, as Amadis. I loved the way the writer described Alexis' internal dialogues and that writer showed Alexis as a complex person with many aspects. I loved that there were several Alexis - the good, the evil, the confused, the foggy. It showed her like a real person with human feelings, doubts, pain and love. Dorian was absolutely adorable, so sweet and sincere. The scene when he meets his daddy was heartbreakingly beautiful. It made me cry. I also loved that we got more to know about Owen, I think it was interesting part of the plot. The only thing which seemed little flat, was the description Tristan gave Alexis about what he did these 7 years. It sounded too easy, too flat. Luckily it didn't ruin my opinion of the book. Tristan made it all good at the sexy and hot parts of the book :) Ending of the book was interesting. What will happen to Dorian? I would love to know. I am really hoping that the writer will continue writing about them. Absolute 5 star book!!!! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Great sequel!! Von JillAfter reading the first book, I was anxious to see what happens next. Thankfully, this book did not disappoint!! My favorite thing about the series is the love story, so I was (POSSIBLE SPOILER) really sad to see that the first half of the book did not have much of that in there. (END SPOILER) The first half is a bit darker and tough to read. However, the middle to the end is lighter and the ending was very satisfying for me. I can't wait for the next book!

KurzbeschreibungThe phenomenon that began with A Demon's Promise continues in Book 2 of the Soul Savers series. Lost in despair, Alexis teeters on the edge of an abyss, her lifeline of hope fraying into a thin thread. If it snaps, she'll plunge into complete darkness. With the help of her son and her writing, she's been able to hold on. Until now. Erratic impulses, disturbing delusions and her own demonic blood threaten her sanity. When she's forced to choose between hanging onto hope or letting go to serve her Amadis purposes, she faces a decision within conceivable sacrifices. Alexis runs to the one place she thinks will provide answers, only to find herself at the center of another battle of good versus evil, not only with the Daemoni, not only within herself...but also against the worst opponent imaginable. But even if she wins, what will she lose? * * * * * This is the second book in the contemporary fantasy series where you'll meet vampires, werewolves, witches, warlocks, and a new type of nephilim. The further you get into the series, the more creatures you'll discover, including shapeshifters, fae, sorcerers, angels, demons, and more. (This book was formerly titled Purpose. The covers and titles have changed for Books 1-7 in the series. This book has some minor content changes in November 2015.) The series in suggested reading order with the books' new titles: #1 - A Demon's Promise #2 - An Angel's Purpose Novella - Genesis #3 - Dangerous Devotion #4 - Dark Power #5 - Sacred Wrath #6 - Unholy Torment #7 - Fractured Faith #7.5 - Awakened Angel NOTE: This is a paranormal series that crosses from New Adult to Adult. It contains mature content meant for 16 years and older. This series is not a YA. KurzbeschreibungThe phenomenon that began with A Demon's Promise continues in Book 2 of the Soul Savers series.
