Von Jan Hahn : An Arranged Marriage (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised An Arranged Marriage (English Edition):

KurzbeschreibungCan a marriage of convenience ever lead to true love? Immediately after Elizabeth Bennet refuses

Mr. Darcy's proposal at Hunsford, her father dies, leaving Longbourn entailed away and little fortune to sustain his widow and daughters. Six months later, the Bennet family receives a visitor with a most unusual offer that promises to save the family from financial and social ruin. Elizabeth's sense of duty forces her to enter into an arranged marriage with a man she does not even like. Told from Elizabeth's point of view, *An Arranged Marriage* is a compelling twist on Jane Austen's *Pride and Prejudice*. Can Elizabeth overcome her feelings of anger, resentment, and suspicion toward her new husband and - the most bewildering sensation of all - a growing attraction for the last man in the world she ever wished to marry?
