Susan Fox writes a powerful love story.Von Holly FSusan Fox writes powerful, tortured, alpha males and women who on the surface appear soft, but as you move beyond the surface you find a steel inner core. In An Arranged Marriage, Blue Sumner is a man who wasn't always rich. It's his humble beginnings that sculpt him. He has an offer for Allison Lancaster, who was born with the proverbial silver spoon, a spoon that's beginning to tarnish. Marry him and he'll do what he can to re-polish her family's fortune. Her relatives are all for the match. Allison is pushed and pulled from all

directions, especially from her heart which sees more in Blue than he realizes. A marriage of convenience that ends up being a love of a lifetime.

Kurzbeschreibung Blue Summer was a self-made man who had everything money could buy except a wife and children. He craved the respectability his tough upbringing had denied him. Allison Lancaster was his passport to a socially acceptable world of power and privilege. A banker's daughter, she'd be the perfect wife! Allison declared she would only marry for love, but her family had other ideas. They wanted Blue's money as much as he coveted their social standing. The wedding was arranged, and it was only when Blue kissed his bride that Allison realized he made her head spin with a dizzy attraction.
