Wie erwartet - ScalziVon Thomas BgelMan liest die

Zusammenfassung und denkt: "Wie will er DAS denn plausibel erzählen?" Aber so ist Scalzi - er bekommt es immer wieder hin, und dazu auch noch witzig, logisch, genial! von 0 Kunden fanden die folgende Rezension hilfreich. Not normal Scalzi... Von CustomerFirst Scalzi story I did not like :-o And I'm a devote Scalzi fan. Human Division series for example are 180 degrees from this one.

Kurzbeschreibung When his city council representative is hit by a bus, David Sawyer decides to run for the newly-vacated seat. One problem: He's a human in an alien-majority district that hasn't voted in a human in half a century. Can Sawyer pull it off in a race that includes a politically smooth, physically gelatinous front runner, a carnivore whose entire platform is on the right to consume pets, and two literally bile-spewing sisters? A tale of aliens, politics and humor from the author of "Old Man's War" and "The Android's Dream".
