Von Elizabeth Mansfield : An Encounter with Venus (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised An Encounter with Venus (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Not her best, but well worth your time. Von Detra FitchAt the age of seventeen, George Frobisher, Earl of Chadleigh, attended his older sister's wedding. As his sister, Felicia, dressed for her walk down the aisle, George caught a glimpse of one of guest (Livy) emerging nude from a bathtub. For ten years George regretted being unable to approach her. Now he

has the chance. Felicia is throwing a party. When George hears that Miss Olivia "Livy" Henshaw will attend, he agrees to go. Livy is well past the normal marriageable age. She is eight years older than George. So when he begins paying attention to her, Livy assumes he sees her as a spinster aunt. He could never be interested in her romantically ... right?*** This is not Elizabeth Mansfield's best work by far. However, it is still a delightfully romantic read. No real crisis, no trauma, just pure romance. Do not go by the cover as to what Livy looks like. The story says auburn hair, not brown, and the character is older than the cover's pictures suggests too. We all know the cover is sometimes wrong though. All-in-all, this is a sweet book that will leave you smiling. ***Reviewed by Detra Fitch of Huntress Reviews.

KurzbeschreibungAs perfect as a marble statue, George Frobisher, the future Earl of Chadleigh, was thunderstruck when, at the age of seventeen, he accidentally glimpsed Miss Olivia Henshaw emerging naked from her bath the day of his sisters wedding. That vision of a Venus, his Venus, would fuel his fantasies for years to come. Ten years after the wedding, Olivia Henshaw has resigned herself to spinsterhood caring for her ailing uncle in a cold and dark castle in the Scottish Highlands. She has no expectation of anything but a cozy visit with her best friend, Felicia Leyton, when she accepts her invitation to an intimate house party in the countryside. No one at the Leytons Yorkshire abbey can guess what will transpire when fantasy finally meets reality.
