Von L. Grubb : An Honest Mistake (Crusaders MC Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised An Honest Mistake (Crusaders MC Book 1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Ziemlich langweilig Von Simone Haeseler Recht langweiliges und vorhersehbares Buch. Die Story ist lahm. Das Buch ist

langweilig geschrieben, so dass ich die letzte Seiten nur noch geblütert habe. Nach einem Date gleich Lock down, WTF. Der Schreibstil war auch nicht flüssig. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Brilliant Debut. Von Anna Salamatin Alexis Newman isn't looking for a man in her life. In fact she's not sure she could let another man in, not ever, not after Riley, he ruined her. But that was a long time ago. She now has a plan in place for her future. Alexis has her eye on the ball and her BFF, Lauren Deville to make sure of it.... then Lauren talks Alexis into checking out the new place called Club 49..... Dominic Mason, aka Cobra, VP of the Crusaders MC. He is also the club's inhouse assassin. Typical bad boy, love is just a 4 letter word to him. He is a great looking guy, has no problem getting a woman, but never more than once. No long term relationship for him..... some of the brothers invite Cobra along to check out the new place called Club 49..... Yep, this is where they meet, so, this is where it all begins. from here on out the action never stops.... the Crusaders MC is being targeted by the Hell Riders MS. They want revenge..... War is coming..... Alexis and Cobra each struggle with the undeniable chemistry that is smoldering between them. Oh my, it's so sinfully erotic. Is it love, lust, or both? Can Alexis try again after the heinous treatment she suffered in the past? Dominic (Cobra) knows he loves her. He will fight like hell to keep her. But when all is said and done, it could be a moot point. Cobra has a secret. One he has carried for 9 years. it could be the end of everything.....

Kurzbeschreibung Ever since Alexis Newman was young, she knew her path in life, but to get to the top you have to start from the bottom. With no man in her life, she sets out with her best friend to dance her frustrations away. Catching the eye of the crusaders MC resident assassin was definitely not in her life plans. Cobra is not the type of alpha you read about, he's not romantic, he doesn't date, he doesn't care. His life is all about protecting his club, doing whatever necessary. That all changes when he spots her across the club. She sparks something in him. Ice cold Cobra starts wondering whether he can have a happily ever after but at what cost? Setting his sight on love was not his life plan. With war brewing between the crusaders and their rivals, the hell riders, there is danger lurking around every corner. Will Cobra bring Alexis to the dark side? Or walk away forever? Will Alexis give up her perfect life plan for an unknown future? Decision time. Head or heart? Life, love or death? * * * WARNING * * * This book is for 18+ only. With sexual content and violence not suitable for younger readers
