**Von Patricia Cabot, Meg Cabot : An Improper Proposal** before purchasing it in order to gage whether or not it would be worth my time, and all praised An Improper Proposal:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Great Story -made me laugh out loud!Von Ein KundeMs. Cabot is an original author. From the moment I read the cover, I was not able to put the book down. Payton Dixon is an absolute tomboy who lacks a female presence in her life to guide her as she matures into womanhood. She is willful, proud, and comical. Through her thoughts, actions, and reasoning I could easily relate to her. I especially loved her quick prayer bargains with God! Connor Drake was a novel character who I could easily fall for in real life, just as Payton did. He was handsome and proud with a real man's way of thinking. He charmed me since the very beginning. The story is well written, funny, and original. I was amazed at finding it full of action. The only problems I encountered with this novel is that it was rushed towards the

end which caused the majority of the characters to be left hanging. However, unlike the majority of romance novels, it was very well-written with comedy, romance, action, and suspense. I still say congratulations to Ms. Cabot for a job well done!

I read Ms. Cabot's *A Little Scandal* and really enjoyed it. I was expecting to be hooked on this book. However that didn't happen for me. Payton Dixon is a young girl who has been treated more like a young boy on a ship with her brothers all her life. She is totally infatuated with Drake, a Ship Captain employed by her family. Drake's brother dies giving him a title and land. Some how, he is to marry an terrible woman he does not love and received a ship as wedding gift that Payton wanted. All right, so that is the skeleton of the story. I never got to like Drake through out the story. I thought Payton's brother had potentials: they were a little out of hand. I think Drake's intention to marry that awful woman throughout half of the book just really made me mad. He was being so stupid about the whole thing. How can someone who is suppose to be a smart sea captin be so stupid and not see through the marriage deal at all? Payton was really quite shameful through out the book in her intention to chase Drake. I did not grow to like her or identify with her in any way. She was so in love with Drake that she was willing to put up with anything and everything. Some of the things she did in the beginning were quite funny, but they got really old by the end of the book when she was still being extremely stubborn and silly. I am going to move on to the next Patricia Cabot book and hope that the next one would be better than this one.

Von Ein Kunde

In 1830, almost nineteen-year-old Payton Dixon loves sea Captain Connor Drake. Ignoring the fact that she has spent most of her life as a tomboy, Payton moans that her beloved has never even glanced her way in all the years they have known each other. Now it appears to be too late as Connor must do the honorable thing as befitting his new status as a baronet and marry Becky Whitby. Still, Payton has other plans as she realizes that Becky is not suited to be the spouse of a seafaring person. Payton behaves very badly on the eve of the wedding and during the ceremony. She accuses Becky of treacherous behavior towards Connor. Instead of freeing her beloved from a sentence of unhappiness, her actions lead to his being taken prisoner by Lucien La Fond, a French pirate and Becky's lover. Payton tries to rescue Connor, prove Becky's infidelity, and claim a love of a lifetime. However, La Fond is a powerful opponent and he holds her beloved captive.

AN IMPROPER PROPOSAL is an exhilarating historical romance that leaves readers laughing one moment and tightly gripping their book the next moment. The action never eases as the pulse pumping story line sails to a wonderful finish. The characters are all fully developed making the intrigue feel even stronger. With novels like this one, *WHERE ROSES GROW WILD*, and *PORTRAIT OF MY HEART*, Patricia Cabot is gaining a reputation as one of the more entertaining historical romance authors.

Harriet Klausner

Kurzbeschreibung

A delicious novel by Meg Cabot, originally writing under the name Patricia Cabot released as an e-book for the first time!

A stormy heart... Adventurous, outspoken, Payton Dixon has two passionate dreams... a clipper ship of her own and the love of Captain Connor Drake. But both seem impossibly out of reach, since her beloved captain is about to marry another, and worse, he's been given her ship as a wedding present from her traitorous father.

A thwarted love. Out to prove she has right on her side, Payton manages to unleash a scandal and ignite all sorts of trouble. As for Drake, he can't decide whether to throttle the girl he's grown up with, or make love to the beautiful woman she has become.

Pressestimmen

"Ms. Cabot stirs our minds and hearts." --Bell, Book and Candle

"Witty dialogue abounds from the first page, but what sets this romance apart are the hero's charm and keen sense of humor, which immediately endear him to readers... A jewel of a romance." --Publishers Weekly on *Portrait of My Heart*

"I'd read a cereal box if it was written by Patricia Cabot!" --Julia Quinn, author of *How to Marry a Marquis*
