time, and all praised *An Irresistible Bachelor*:

Kurzbeschreibung Art conservator Callie Burke's new assignment is restoring a masterpiece owned by ruthless, wealthy, and sexy politico Jack Walker. When she's persuaded to move into Jack's sprawling estate to finish the job, a mere business proposition turns into something far more complicated-and passionate. From Booklist Jack Walker has given up his playboy status and, much to his Machiavellian mother's delight, become engaged to a wealthy socialite. Now mommy dearest can go ahead with her plans to make him governor of Massachusetts. But the best-laid plans often go offtrack, and in this case the cause of the derailment is art conservationist Callie Burke. The minute Jack lays eyes on her, he forgets everything, including his politically acceptable fiancée. He hires Callie to restore a recently acquired John Singleton Copley portrait of one of his ancestors and moves her into his mansion so she can work uninterrupted on the \$5 million art treasure, but both Callie and the painting conceal secrets. Bird, author of *Heart of Gold* [BKL My 1 03], presents another fine, emotion-filled romance about two people whose pasts stand in the way of present happiness. Readers who appreciate books rich in strong feelings, such as those by Barbara Freethy, Kathryn Shay, and Judith McNaught, will also enjoy this tale.
