great classic novel + + + + Von amadana Barbara Delinsky understands the power of people's hearts, thoughts and actions like hardly any other author. Her books are easy to read and understand, especially for people whose first language is not English. I read the first Barbara Delinsky book about 3 years ago and now I am addicted to them. I have pretty much read all of her books by now and there are stories I like better and others I like less. AN IRRESISTIBLE IMPULSE was one of the better novels and I enjoyed reading it a lot. Story: Sitting in a Vermont jury room, Abby Barnes is happy to be empaneled. The trial is a sensational headline-grabber, and the thought of being away for a couple of weeks is very appealing because it will give her the opportunity to think about her recent relationship and to make some decisions. Then she meets fellow juror Ben Wyeth who is witty and charming and who shows her what she has been missing all this time. They share grueling days of testimony and long nights of passion together but there is a part of Ben that he can never share with Abby or any woman for that matter. Have fun reading this book!!! 0 von 0 Kunden fanden die folgende Rezension hilfreich. An Irrisible Impulse Von Margy Hanson Delinsky has mystery, intrigue, and romance all in one. She makes you wish you could be a juror to watch the sexual tension and budding romance blossom.

Kurzbeschreibung New York Times bestselling author Barbara Delinsky understands the power of the human heart as few others and she shares that gift in this touching novel of acceptance and fulfillment, first published in 1983. Sitting in a Vermont jury room, Abby Barnes is happy to be empaneled. The trial is a sensational headline-grabber, and the thought of being sequestered for a few weeks is appealing. The time away from a relationship that fails to excite her will give her a chance to think . . . and to make a long overdue decision. Then she meets fellow juror Ben Wyeth, a witty and charming college professor who shows Abby just what she's been missing. But although they share grueling days of grisly testimony and long nights of passion, there is a part of Ben that he can never share with Abby, or any woman. Just as the fate of an accused man lies in the balance, so too does Abby's, as she decides whether what Ben can give is enough . . . enough to last her a lifetime.
