Von M. Donice Byrd : An Officer but No Gentleman (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised An Officer but No Gentleman (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Fitting titleVon Kindle JunkiePandaFan at .com pretty much speaks for me regarding this story. Jaxon's (that spelling irritated me) jealousy of Morton (?) was a bit much. Charlie should have clarified her friendship/love of him as a brother a bit

earlier. Millie's part was a bit overdone - why would she react so if she was so disgusted by Jaxon's scars?0 von 0 Kunden fanden die folgende Rezension hilfreich. Wunderbare LiebesgeschichteVon AnjaSo mag ich Herzschmerz. Eine Liebesgeschichte in einem historischen Hintergrund gebracht. Die Handlung ist sauber ausgearbeitet. Es gibt eine sehr gute Rahmenhandlung bis die beiden sich finden. Fr das Genre einfach nur toll.

KurzbeschreibungAfter a fire burns down their home, motherless Charlie Sinclair is taken aboard his fathers ship at the age of six. Over the years, he works his way up to the rank of second mate. But Charlie has a secret. Hes not the captains son shes his daughter and shes tough and as crude as any sailor. But she is completely ignorant about life on land. She longs for love, but knows she can never find love unless she's willing to give up her life.With a jagged scar slashing across his once handsome face, Privateer Capt. Jackson Bloodworthy, has given up all hope of finding love when Charlie Sinclair is abandoned by her shipmates aboard his ship. He soon discovers her secret and is amazed that when she looks at him, she does not see his disfigurement. To announce to his crew Charlie is under his protection, Jackson kisses her in front of the men, making her knees weak and the world fade away. Society would have dictated that she slap him for taking such liberties but Charlie knows nothing about land-rules--she only knows what her heart feels and doesnt understand that his restraint is not because he doesnt want her, its because he doesnt want to take advantage of her naivet. This is a full-length novel. It contains graphic love scenes.My apologies to those who downloaded during the previous free promotion. I apparently uploaded an uncorrected file. You can contact to get the most recent version if it doesn't update yours automatically.KurzbeschreibungAfter a fire burns down their home, motherless Charlie Sinclair is taken aboard his fathers ship at the age of six.
