Von Carver Greene : An Unlawful Order (The Chase Anderson Series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised An Unlawful Order (The Chase Anderson Series Book 1) (English Edition):

Kurzbeschreibung Captain Chase Anderson is a distinguished war veteran, widow, and single mother in charge of Public Affairs at the base in Hawaii. After a Marine-81 helicopter, the very model her husband Stone was flying when he crashed in Afghanistan, goes down five miles off the coast of Oahu, Chase begins to suspect a conspiracy to minimize, even hide, the defects within the Marine-81. Despite threats to her career, Chase follows her hunch, and the search for the truth, a search that implicates everyone from Hawaii to the Pentagon, eventually leads her back to the disturbing truth about Stone and their marriage.
