**Von Patricia Bray : An Unlikely Alliance (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised An Unlikely Alliance (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Murder and Mayhem in Regency England are lots of funVon CustomerThis book is even better than her first one. The secondary characters are brilliantly realized and Ms. Bray's gift for unique images that highlight the absurdities of the period is in full force (what party would be complete without a gypsy wagon and bonfire in the center of the forest that used to be a ball room?). But she never loses the human element at the heart of this romance, so we fully sympathize

with the hero as, unable to admit to his feelings for Magda, he instead throws himself into solving all of her problems -- even unresolved murders from her childhood. In fact, it is the resonance between the mystery elements and romance elements that give this book its depth and structure. When he believes he has solved all of her problems, and turns out to be wrong, it echoes his belief that they can have no possible future together which, this being a romance, is obviously also wrong. The twists and turns of the plot make for a highly entertaining read, and the wonderfully drawn characters make for memorable (and amusing) scenery along the way. If you like mysteries, Regencies, or just fun reads, this is for you. 1 von 1 Kunden fanden die folgende Rezension hilfreich. This is an excellent story, true to its period. Von Ein Kunde Patricia Bray has captured the essence of the period for which she has written with incredible accuracy in her details of the time. I really enjoyed the book and recommend it to everyone.

Kurzbeschreibung "[H]ooks us with absorbing storytelling." BOOKLIST Gypsy fortune teller Mademoiselle Magda has taken London by storm with her uncanny predictions and only Lord Kerrigan suspects that she is not what she claims to be. And he is right, for poverty had thrust seamstress Magda Beaumont, the child of a French physician and a Russian gypsy princess, into passing herself off as a tarot reader to the ton. But lacking her mother's powers, Magda drew the wrong card and made an enemy of the Earl, who causes her pulse to race whenever he's near. He sets out to expose her, only to find himself captivated by the beautiful young woman. But when Magda's predictions threaten to expose a villainous plot, she finds herself in deadly danger. Now Magda and Lord Kerrigan must join forces to solve a decade-old murder. And as Kerrigan comes closer to discovering the truth, Magda fervently wishes she could predict the future to see if she will lose a love that promises splendid bliss.
