Von Charles Todd : An Unmarked Grave: A Bess Crawford Mystery (Bess Crawford Mysteries) before purchasing it in order to gage whether or not it would be worth my time, and all praised An Unmarked Grave: A Bess Crawford Mystery (Bess Crawford Mysteries):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Fourth in the series and Bess Crawford just keeps getting betterVon BernieBy the time you've located this book you should

already be aware of the mother-son team of Charles Todd so I will not describe it in this review. We have the same Bess Crawford but a new mystery. As with previous books in the series even though the mystery is in-depth and full of misleading suspects or red herrings the excellent writing that gives you the feeling of the time is what really sells the book. You also find something comforting in the characters in the book even the negative ones all seem to have a higher human quality than you would find in real life. Bodies are picked up on the battlefield and wrapped for disposal. Someone points out to Bess that there is one body too many and not properly wrapped. It made me think of "One Corpse Too Many" by Ellis Peters; however that's where the similarities end and the story takes on a life of its own. I also noticed that Bess Crawford has a tendency to be in the right place at the right time to hear the right thing. But if she wasn't there then we would not have story. All I can say is that you will want to get a copy as soon as possible and not miss this great addition to your library. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Kurzbeschreibung A wonderful new mystery series that will let us see the horrors of World War I through the eyes of Bess Crawford, battlefield nurse. Margaret Maron Readers who can't get enough of Jacqueline Winspear's novels, or Hester Latterly, who saw action in the Crimean War in a series of novels by Anne Perry, are bound to be caught up in the adventures of Bess Crawford. New York Times Book The critically acclaimed, New York Times bestselling author of the Ian Rutledge mystery series, Charles Todd once again spotlights World War I nurse Bess Crawford in *An Unmarked Grave*. Gripping, powerful, and evocative, this superb mystery masterwork unfolds during the deadly Spanish Influenza pandemic of 1918, as Bess discovers the body of a murdered British officer among the many dead and sets out to unmask a craven killer. **Kurzbeschreibung** A wonderful new mystery series that will let us see the horrors of World War I through the eyes of Bess Crawford, battlefield nurse. Margaret Maron Readers who can't get enough of Jacqueline Winspear's novels, or Hester Latterly, who saw action in the Crimean War in a series of novels by Anne Perry, are bound to be caught up in the adventures of Bess Crawford. Gripping, powerful, and evocative, this superb mystery masterwork unfolds during the deadly Spanish Influenza pandemic of 1918, as Bess discovers the body of a murdered British officer among the many dead and sets out to unmask a craven killer. **Buchrückseite** World War I nurse and amateur sleuth Bess Crawford matches wits with a devious killer in this exciting and suspenseful adventure from New York Times bestselling author Charles Todd In the spring of 1918, the Spanish flu epidemic spreads, killing millions of soldiers and civilians across the globe. Overwhelmed by the constant flow of wounded soldiers coming from the French front, battlefield nurse Bess Crawford must now contend with hundreds of influenza patients as well. However, war and disease are not the only killers to strike. Bess discovers, concealed among the dead waiting for burial, the body of an officer who has been murdered. Though she is devoted to all her patients, this soldier's death touches her deeply. Not only did the man serve in her father's former regiment, he was also a family friend. Before she can report the terrible news, Bess falls ill, the latest victim of the flu. By the time she recovers, the murdered officer has been buried, and the only other person who saw the body has hanged himself. Or did he? Working her father's connections in the military, Bess begins to piece together what little evidence she can find to unmask the elusive killer and see justice served. But she must be as vigilant as she is tenacious. With a determined killer on her heels, each move Bess makes could be her last.
