Von P. D. James : An Unsuitable Job for a Woman (Cordelia Gray Mystery Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised An Unsuitable Job for a Woman (Cordelia Gray

Mystery Series):

Kurzbeschreibung Meet Cordelia Gray: twenty-two, tough, intelligent and now sole inheritor of the Pryde Detective Agency. Her first assignment finds her hired by Sir Ronald Callender to investigate the death of his son Mark, a young Cambridge student found hanged in mysterious circumstances. Cordelia is required to delve into the hidden secrets of the Callender family and soon realizes it is not a case of suicide, and that the truth is entirely more sinister. PD James is the bestselling author of *Death Comes To Pemberley*, *Children of Men* and *The Murder Room*. Her first Cordelia Gray novel *An Unsuitable Job For a Woman* is a brilliant work of crime fiction packed with secrets and suspense. This novel has been adapted for television twice, the second adaptation in 1997 starred Helen Baxendale as Cordelia Gray. Pressestimmen "P.D. James is unbeatable." *Ottawa Citizen* "P.D. James is an addictive writer, [with] a quality of intelligence, a genuine curiosity about character, and an ability to describe the density of little known lives." *Anita Brookner* "One of the most compulsive and acutely observed thrillers of the year--a why-dunnit, rather than a who-dunnit; a study of the complex motives that make up the cold mind of a killer." *Daily Express* "James is assuredly the most gifted crime novelist writing in English today." *The Toronto Star* A top-rated puzzle of peril that holds you all the way. *The New York Times* Kurzbeschreibung Meet Cordelia Gray: twenty-two, tough, intelligent and now sole inheritor of the Pryde Detective Agency.
