**Von Lily Grace : Analyzing Emory (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Analyzing Emory (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. I'm conflicted - 3 or 4 stars?Von SunneHow to rate?If I had read this book two years ago it would have been a solid 4 stars. Nice MCs, sweet story.Now...after about 500 m/m books later....been there, read that.It wasn't really something new or breathtaking. It was predictable.Still, it was cute, the dialouges good and funny, the writing style didn't ring any

of my pet-peeves like overuse of gerunds, terms for the MCs or flowery description of the sex. So...actually...still a 4 star book?? I'm going to give it the 4 stars but with the warning. If you have read as much m/m as I have (and I haven't even reviewed all books I've read) this one doesn't contain very much new for you. It still will be a light "feel good" book. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Locker, leicht und niedlich. Von emse. Eine kleine Geschichte, die gut erzählt wurde und mir ein Lächeln ins Gesicht gezaubert hat. Ja es stimmt, die Welt des M/M Romanes wurde mit dieser Story nicht neu erfunden (siehe Rezension Sonne) und ja es war alles etwas vorhersehbar, aber trotzdem hat es mir sehr gefallen. Und ehrlich gesagt, sind nicht bei den meisten Geschichten die Handlungen in etwa zu erraten? Mir fällt da nur spontan der 7. Teil der CutRun Serie (TouchGeaux) von Abigail Roux ein, der wirklich explosionsartig das ganze Sichtbild auf die vorherigen Teile verändert hat (zehn von fünf Punkten würde ich für dieses Buch vergeben wenn möglich). Wenn man gut und leichtfig unterhalten werden will, ist man bei Analyzing Emory genau an der richtigen Stelle.

**Kurzbeschreibung** When a family friend offers him the job of resident psychologist at Chicagos GLBT Center, Kyle Michelson jumps at the chance to reinvigorate his career, move on from his recent breakup, and get his life back on track. Kyle hopes returning to the familiar territory of his hometown will do him good, but meeting Emory Brenner at a club changes everything. Anything but familiar, Emory leaves Kyle breathless from the start. There's just one problem: Kyle wants more than a one-night stand, Emory doesn't do relationships, and neither man can resist the other. Luckily for Emory, he never has to see Kyle again. Or so Emory thinks until he runs into him while volunteering at the GLBT Center. Kyle makes Emory want things he never thought he could have and chips away at secrets Emory has kept locked away for years. On the surface, Emory's recovered from his past: he has a job at a record store and a roof over his head. But putting his trust in another person, having a relationship, means opening himself to more pain and that is a risk he can't take.
