**Von Heather Graham : And One Wore Gray: Civil War Series (Cameron Family)** before purchasing it in order to gage whether or not it would be worth my time, and all praised And One Wore Gray: Civil War Series (Cameron Family):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Another one you just CANNOT put down!Von Ein KundeI started to read this 2 days after I finished "One Wore Blue" and finished it 3 days later! Heather Graham, you are an extremely talented writer! Daniel Cameron was introduced in the first book and the reader became mildly interested. In this book, his relationship with Callie is every bit as intense and passionate as the relationship between Jesse and Kiernan. The combination of a beautiful love story and the historical accounts of the Civil War make this one of my favorite books ever. I borrowed this copy from a friend, but will buy a copy for myself so I can read it again and again!1 von 1 Kunden fanden die folgende Rezension hilfreich. It is the best

of the trilogy of "One Wore/One Rode" series. Von Ein Kunde In this series, Ms. Graham begins in the middle of the story. The attraction between Callie and Daniel is very strong and believable, as is the plot. Callie needs help on her farm and Daniel is able to work for her. It gets complicated because she lives near the Mason Dixon line, she is pro Union. Unfortunately for their relationship, Daniel is a Confederate officer incognito. As I stated before, the relationship is very real with pit falls and many surprises. I normally don't like Civil War romances because there is too much arguing on the point of view (who's side is right). This was I felt the problem with the first novel, One Wore Blue. In One Wore Grey, the historical accuracy was good. The people of the times were well portrayed and we were able to see growth in Callie, although she was pro-Union, she became compassionate when meeting Jefferson Davis and his family. One Wore Grey is a wonderful story of compromises and true romance. I enjoyed it! Gig1 von 1 Kunden fanden die folgende Rezension hilfreich. A wonderful, though provoking tale of a families love! Von Ein Kunde More than anything else in this Civil War trilogy, you come away Satisfied. It is a wonderful Romance. You not only fall in love with Daniel and Callie, but you respect and admire the Cameron family and their love and devotion for each other. You know that the brothers Daniel and Jesse would do anything ...even die for the other. I could see in my minds eye everything that they went through. My heart broke, then rejoiced, I was mad, then elated! Ms. Graham has given us a book that is a pleasure to read. I looked forward to the romance, and the battles. What wonderful heroes and heroines.

Kurzbeschreibung In this sensual Civil War romance from Heather Graham, the scars of battle are healed by a searing desire that crosses enemy lines. Callie Michaelson knows all too well the costs of war. Her husband gave his life on the battlefield, fighting for the North. Now Callie's only defense is to hunker down and hope the war blazes right on past her Maryland farm. But when a dashing Confederate soldier falls on her land, Callie is inexplicably roused to help this desperate, surprisingly vulnerable, and heartbreakingly desirable man. After suffering the sting of defeat, Colonel Daniel Cameron wants nothing more than to heal his wounds and rejoin his retreating cavalry unit. But the look in the silver-gray eyes of the stunningly beautiful Yankee widow tells him to stay at least for one night of passion. In Callie's bed, Daniel forgets all about the horrors he has seen. He also forgets that he is too deep in Union territory to trust any woman. And soon enough Daniel discovers that wounds of the flesh are nothing compared to wounds of the heart. Includes a special message from the editor, as well as excerpts from these Loveswept titles: Flirting with Disaster, Taking Shots, and Long Simmering Spring.
