Von Stephanie Laurens : And Then She Fell (Cynster Sisters Duo) before purchasing it in order to gage whether or not it would be worth my time, and all praised And Then She Fell (Cynster Sisters Duo):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. Eine Cynster Lady verliebt sich ...Von Bchergourmande... und das ist nicht einfach fr sie und die Umgebung.Nach den

Geschichten mit Entführungen um die Cousinen ist diese Buch eher zahm - auch wenn die Heldin beeindruckt. es ist wie immer angenehm zu lesen, da Laurens' Heldinnen fr das Genre emanzipiert sind, aber diese Buch ist eher ein "Zwischenbuch", nett, aber nichts Besonderes fr Laurens. Was natrlich nicht heit, dass es sich hier nicht um ein Vergngen handelt - daher auch vier Sterne.1 von 1 Kunden fanden die folgende Rezension hilfreich. Nice! Von eva__I love Stephanie Laurens because she writes so well, and I also enjoy stories where one of the couple agrees to find a partner for the other, only to find that they themselves are the perfect match. However, I am not a huge fan of the regency romance - come - murder mystery genre, and this book takes it above and beyond. The attraction between the couple is not the focus of this book at all. The whole time they try to figure out who is trying to kill Henrietta (and the solution turns out to be not that great), and the whole "silly men trying to protect the capable woman" trope has been overused as well. I'm really hoping the next one will be a return to more romance and less murder mystery. Or perhaps I could get on board if the murder mystery was more well-done, like in the Capture of the Earl of Glenrae (and the other two books in that series).1 von 1 Kunden fanden die folgende Rezension hilfreich. Eher eine der schlechteren Cynster Stories Von TB Die Cynster Geschichten sind immer sehr kurzweilig zu lesen. Starke Helden und auch Heldinnen, Familienbande, dramatische Ereignisse...und am Ende wird alles gut. Dieses Buch ist nicht schlecht, aber im Gegensatz zu anderen der Serie eher schwach. Wer allerdings die Cynster Geschichten mag, sollte auch dieses lesen; sonst verpasst man ja eines der Schicksale.

Kurzbeschreibung New York Times bestselling author Stephanie Laurens returns to another utterly irresistible branch on her beloved Cynster family tree in *And Then She Fell*. Set in Regency England, London's Henrietta Cynster, known as The Matchbreaker has a special talent for making sure that bad marriages never happen. After breaking up one ill-suited couple, Henrietta is obligated to find the perfect bride for the debonair James Glossup. The assignment proves to be a challenging one for the single-minded Henrietta, who believes that finding love isn't in her own stars. But Henrietta discovers in spite of her personal denials of love that both she and James are indisputably drawn to each other. Fans of Stephanie Laurens's Cynster books and readers of smart and compelling historical romances will be transported and entertained by *And Then She Fell*. Pressestimmen This romance is richly imbued with breathtaking sensuality, pleasing wit, and just the right dash of intriguing danger. (John Charles, Chicago Tribune) With witty, authentic dialogue, great writing and characters, and a charming story of two people forced to look more closely at something that's been there all along, the romance in this book is potent and winning. (Kirkus s) Werbetext The first in an exciting new couplet, linked to the popular Cynster series, by the reigning queen of historical romance: Stephanie Laurens
