READ-CAPTIVATING STEMAY ROMANCEVon midniteinkSLATE-PLENTY OF SHIFT-AN ENTERTAINING ROMANTIC STORY;The story focuses on; ANGEL, a curvaceous, independent beautiful artist and human; SLATE, a strapping, heart-stirring, grizzly-shifter and single dad.What you'll find in this story; a cast of awesome impressive and engaging characters, fabulous story-line, picturesque vivid scene descriptions, fantastic banter, gut-wrenching moments, family love, gripping suspense, life threatening incident, emotions skyrocket, heroic deed, steamy sensual romance, and a melt your heart conclusion that leaves you wanting more.Angel needs a date for her sisters wedding. She had told her sister she was dating someone which was an untruth. A friend tells her to contact Plenty Of Shift to see if that would work for her. Miri usually does not take humans as clients, but she did know a few shifters that liked to date humans. After seeing two shifters via web-cam, Angel picks Slate, a single dad, thinking she could perhaps have a short relationship. Angel does not do long relationships being a free-spirit and not ready to commit; only problem with that is Slates cute daughter Ruby. Slates wife was a human, had passed on, and he is now considering dating. When the two meet there is instant attraction, but when Angel meets Ruby she is scared, she fesses up to Slate about the wedding, and is not sure if she can date a single dad; Slate walks out on her angry.....FABULOUS-fast paced well written read by a truly gifted author. The fusion of authenticity and fantasy is well done. The author shows the difficulties of being a single dad, especially since he has little girl, full-time job, and how to balance a relationship. I feel that Slate and Angel are a good fit. Their romance is steamy, fun and passionate. Angel is a most valiant heroine. I enjoyed this story, a most gratifying read. If you treasure shifter romance this is a great book for your library. {I was gifted this book and this is my completely honest review}. In the world of shifter romance the possibilities are endless and always fascinating. Without reservations I recommend this book.

KurzbeschreibungCompared to her sister Linda, Angel's always felt like a second-class citizen, at least in the eyes of her family. And now Linda's wedding's coming up, and Angel doesn't have a date, or even the prospect of one.But when a friend gives her a business card for Plenty of Shift, things start looking up. She meets with Miri to get things started, and all of a sudden she's given a choice between two sexy shifters: the Grizzly, Slate, and the Wolf, Kai. In this version of her story, she chooses Slate, the single father of an adorable and mischievous redheaded girl. It doesn't frighten Angel that he's got responsibilities; after all, she's just out for a good time, and he looks like he could use a roll in the hay. But it doesn't take long to realize that shifters are...special. And add a motherless little girl to the mix, and suddenly life begins to take on new meaning. Will Angel find love, or will she run away screaming from the chance at a new family? Maybe she should've chosen the wolf. But maybe the grizzly is just what she needs.KurzbeschreibungCompared to her sister Linda, Angel's always felt like a second-class citizen, at least in the eyes of her family.
