Little is a very talented lady, able to pull you in right from the very first paragraph to thelast page. You will be dreading having to turn the final page, and like myself you will find yourselfbeing in love with her characters. With all their flaws and guilt and failures, this is a book to stay onyour mind

for a very, very long time. In my case, I won't ever forget about this wonderful piece of writing. It was one of the best books I have read in the past six years

Kurzbeschreibung Seasoned social worker Kayla Brooks has dealt with her fair share of difficult situations, but nothing could have prepared her for the likes of Dean Wyatt, head of Wyatt House Group Home for Boys. When a case unexpectedly brings Kayla to his door in the middle of the night, sparks fly. With a piercing gaze and heavily inked skin, Dean looks like a walking wet dream. Until he turns out to be an asshole. Dean Wyatt has always kept those around him at arms length. Secrets lurk beneath his tattooed traumatic past known to very few. Forced to work together in order to help two vulnerable boys, Kayla slowly penetrates Deans tough exterior. Along the way the two discover something they've each been missing but only time will tell if they can overcome the painful past that kept anyone from bringing true happiness into Deans world. This book contains adult situations and sexual content. For mature audiences only. Praise for Angel of Redemption: I absolutely loved it! One of the best books I have read in the last few months, which is saying a lot with the amount of books I got through." Goodreads reviewer "This has just moved into my number one read this fall." Goodreads reviewer "I highly recommend this book to anyone that loves romance, helping children, and finding your place in the world." Once Upon an Alpha
