**Von Jacquie Johnson : Angel on Fire (Angel Investigations Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Angel on Fire (Angel Investigations Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Naja...Von -KundeAlso hier haben wir eher die Qualitt eines Groschenromans. Es handelt sich hier um die mittelmig gelungene Kombination aus einem Krimi und einem Liebesroman. Beides fr sich wre wahrscheinlich gar nicht einmal so schlecht gewesen, aber zusammen ergab sich da leider keine so gute Mischung. Fr mich hatte es den Anschein, als htte die Autorin gewollt, aber nicht wirklich gekonnt. So kommt es dann auch immer wieder zu Liebesszenen, bei denen man denkt, dann macht doch endlich, damit dieses ewige hin und her aufhrt, aber als sie es dann endlich durchziehen, hrt das hin und her leider nicht auf. Das lenkt dann sehr von dem Gerst um die Liebesgeschichte herum

ab und neigt auch dazu, etwas zu nerven. Ein weiteres Manko ist, dass man als Leser fast sofort die Lösung vor Augen hat. Außerdem erfolgt der letztliche Showdown in gefühltem Wimpernschlag. Das Englisch ist okay, aber es haben sich auch einige Fehler eingeschlichen. Da sollte noch einmal Korrektur gelesen werden. Fazit: das geht eindeutig besser.

Kurzbeschreibung All Angela wants is to understand why her father, security specialist Mac McKenzie, dropped dead on a sidewalk in Boston. Instead, she is thrust into the midst of an international conspiracy when she discovers that her father was working on a classified project at the time of his death. Now, the FBI, a terrorist and a killer have her in their sights. Former Navy SEAL turned undercover operative, Chase Romero thinks his boss is overreacting when he orders Chase to small town America to protect Angela. But he changes his mind when her home is burglarized and accidents begin to happen. The real question becomes, how can he keep her safe if he keeps tripping over his own heart? After shooting an intruder, Angela flees the scene, and the FBI issues a warrant for her arrest. On the run for her life and her freedom, she places her trust in Chase. As they travel from New England, to the nations capital, to the shores of Lake Michigan, the trail and their attraction grow hotter. Together, they team up to prevent a global financial market meltdown and face a killer who will stop at nothing to get his hands on the project Mac protected with his life.
