The writing is a bit simple for my taste but I love both lead characters and

Damien, the blackhearted assassin that he is, cannot bring himself to do the heroin harm. That does it. I love him.

Kurzbeschreibung Damien is an assassin, a man with no home and a tortured past. Sold into slavery as a young boy, he is trained to kill with cold calculation, without remorse. As a reward for his ruthless success, he is given a chance to earn his freedom from his cruel master. One last mission. One final person to slay Lady Aurora of Aquitaine is the epitome of purity and goodness, beloved by all her people. She lives her life trying to atone for her mothers cruelty by being a fair and just ruler. Secretly she fears that one day her mothers murderer will return for her. When Damien enters Auroras life, tempting her with promises of dark passion and forbidden lust, he threatens to tear her peaceful world apart with shadowy secrets of his own. Can Auroras light heal Damiens dark spirit or will his evil consume her? The eternal battle of good versus evil, love versus hate, dark versus light, all come to a shattering climax in this historical romance set in medieval England.
