**Von Alafair Burke : Angel's Tip: A Novel of Suspense (Ellie Hatcher)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Angel's Tip: A Novel of Suspense (Ellie Hatcher):

A fun, well written crime storyVon Dr. Bojan TunguzI have not had a chance to read a good crime novel in a long while, and from the description this book seemed like a good one to read. It took a while for the story to develop, and since I was not familiar with the main character from the previous novels by Alfair Burke, it took about hundred pages or so

before I could care enough to be fully gripped by the story. However, once I had the full interest in the happenings, the book was hard to put down. Burke has a very well developed style that is precise and technically impeccable. The story has a feel of a combination of the "Law and Order" and "Silence of the Lambs." So if you are into either one of those two genres, this will be an interesting book to read.

Kurzbeschreibung Angels Tip is a riveting read that snaps with the beat of New York. A knuckle-biting journey that'll keep you turning pages until the very end. Faye Kellerman, bestselling author of the Peter Decker and Rina Lazarus novels. Alafair Burke has created a winning heroine in Ellie Hatcher, someone to root for. Tami Hoag, bestselling author of Down the Darkest Road. Complex plotting, multi-layered characters, a creepy serial killer in Angels Tip, Burke has once again proven herself a terrific storyteller. Sandra Brown, bestselling author of Lethal. Acclaimed thriller writer Alafair Burke delves into the underworld of the Manhattan nightclub scene in Angels Tip. Burke is the daughter of crime fiction superstar James Lee Burke, creator of Cajun detective Dave Robicheaux, prompting the Fort Worth Star-Telegram to proclaim that this fast-paced-but-human thriller proves that writing talent is genetic. A superb crime novel featuring NYPD Detective Ellie Hatcher (a strong female protagonist in the tradition of Sara Paretsky's V.I. Warshawski and Marcia Muller's Sharon McCone Boston Globe), Angels Tip follows Ellie's investigation into the murder of a young college student, quite possibly by a member of New York's young moneyed elite, and fans of Lisa Gardner, Karin Slaughter, Harlan Coben, and Sue Grafton will most definitely want to trail along. Pressestimmen Gripping. Burke leaves her principle characters little time to sleep; readers will relate. (Publishers Weekly (starred review)) Addictive. Holds the readers attention from first word to last, and begs for a sequel. (Kirkus s on Dead Connection) Angels Tip is a riveting read that snaps with the beat of New York. Be prepared for a knuckle-biting journey that'll keep you turning pages until the very end. (Faye Kellerman) Alafair Burke has created a winning heroine in Ellie Hatcher, someone to root for not only in this book, but I hope in many more tales as yet untold. (Tami Hoag) Alafair Burke is one of those rare writers whose books are both scary and cerebral. Complex plotting, multi-layered characters, a creepy serial killer - in Angels Tip, Burke has once again proven herself a terrific storyteller. (Sandra Brown) [Burke] scores on all counts in this thriller about a serial killer with a hair fetish.... [Her] brisk and ultimately suspenseful narrative offers wily and intricate plotting and sharply etched major and minor characters.
