Kurzbeschreibung Warrior angels, vampire hunters, and angels gone bad heat up this altogether sizzling paranormal alternate universe, from the bestselling author Nalini Singh. Angels' Pawn is a tale of flirtation and danger set in the Guild Hunter world. Ashwini and Janvier have no reason to be drawn to each other - but they are. Even when they're on opposite sides of a debate there's a spark between them which doesn't want to die. Will it be fanned to become a flame . . . or are they both the pawns of angels? This is a compelling, sexy addition to the Guild Hunter universe.
