Bosch at his Best - a Must-Read... Von Miki101. Micha ... not only for deep-rooted fans! Whoever likes the way Michael Connelly writes HAS to read those three short stories! It is one great entertainment for a small price. In the first story CHRISTMAS EVEN the "Three-Kings-Pawnshop" is burglarised for the fourth time in two years, and it's Christmas Eve. Only this time there is a difference to the former three irruptions: The burglar is still inside, when the owner opens the shop... And Harry Bosch will find a link, a very sentimental one, to his own past. In the second story FATHER'S DAY Harry Bosch has to go down hard on a father who lost his only son in an alleged accident. Only that the truth is the worst a father like Harry is able to tolerate... In the last one, ANGLE OF INVESTIGATION we see Harry Bosch as a rookie on his second day on the beat of the streets of L.A. And he finds his first DB, dead body. More than twenty years later, in the Open-Case-Unit he has to face bits and pieces and persons of his own past... There is also a bonus, the first chapters of "The Drop (A Harry Bosch Novel), the Harry-Bosch-novel that came before his latest The Black Box (A Harry Bosch Novel). I read both books and liked them very much. So altogether it's a deal not only for friends of our hero Harry Bosch, but for everyone who loves perfect written police procedure. Try also Mulholland Dive: Three Stories, without Harry, but with the first chapters of The Black Box. Worth Your time and money, too! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Harry Bosch vom Feinsten Von Schroederha Drei kleine, aber feine Harry Bosch Kurzgeschichten. Mehr oder weniger aus schon veröffentlichten Romanen bekannt. Aber wenn man, wie ich, diese lange nicht gelesen hat, ist die Lsung erneut wieder spannend. Wegen des geringen Preises (der Kindle-Edition) sehr empfehlenswert 0 von 0 Kunden fanden die folgende Rezension hilfreich. Three different types of investigative tales Von Heidi Longstockin A pleasant way to while away a rainy afternoon. Read slowly. Take a break in between stories - mini Bosch doses!
