Wie der erste finde ich auch dieses Buch Super. Ich liebe Anna als Charakter. Sie ist stark und ich finde sie extrem witzig.. Auch hier lese Empfehlung!

Kurzbeschreibung***RE-EDITED JUNE 2014***Imagine watching your father die in front of you because two men were sent to take you. The two men were sent by Roman Murphy, the boss of Hunter Inc. The only job of Hunter Inc. is to train and produce assassins. Anna Brookes, a 15 year old girl with a love and panache for precision and handling of weapons was sort out by Hunter Inc. One evening she encounters Lukas, a man she saves but a man that ultimately goes on to save her. The months that follow sees Anna's intuition heightened and defined. She is forced to deal with techniques that no ordinary 15 year old girl should ever encounter in their lives. Anna Brookes - In Training picks up from the moment she killed Damon and Nox in HiT 149. Ill agree that you, Anna, are not ordinary at all. You are simply extraordinary. ~ Lukas***This novella is a companion book to the HiT Series. It is advised to be read after HiT 149.***Kurzbeschreibung***RE-EDITED JUNE 2014***Imagine watching your father die in front of you because two men were sent to take you.
