Von Audrey Harrison : Annabelle: A Regency Romance (The Four Sisters' Series Book 2) (English Edition)

before purchasing it in order to gage whether or not it would be worth my time, and all praised Annabelle: A Regency Romance (The Four Sisters' Series Book 2) (English Edition):

Langweilig, langatmig, gnzlich unrealistisch, ZeitverschwendungVon Sands KayLangweilig, langatmig und gnzlich unrealistisch, ZeitverschwendungDie Rezession bezieht sich auf alle vier Bcher bzw alle vier Schwestern. Leider sind die Figuren grtenteils sehr flach und wenig sympathisch.So dumme, fast schon geistig zurckgebliebene (Grace!) Heldinnen habe ich schon lange nicht mehr erlebt! Sie reagieren allesamt kindisch und vor allem fr die damalige Zeit unrealistisch (Rosalind!).Auch die Helden sind nicht viel besser. Am besten gefallen haben mir noch Annabell und Joseph, der Mann von Elianor. Die Geschichten sind furchtbar gewollt und an den Haaren herbei gezogen. Und es

ginge zu dieser Zeit auf keinen Fall, da eine junge Frau aus gutem Hause ohne Anstandsdame mit einem Gentleman ausfährt, spazieren geht und so weiter! Oder ein Grtner der Schwager eines Herzogs wird und hin und wieder Gast bei "Herzogs" ist, ansonsten aber mit der Frau im kleinen Grtnerhuschen lebt. selbst die Vergiftungsgeschichte ist zuweit hergeholt! (Htte die Autorin wenigstens Tollkirschen genommen!) Ohne die gute Mrs. Adams, ginge bei den Schwestern sowieso gar nichts. Am allerbesten gefiel mir die Dowager Duchess beziehungsweise Josephs Mutter! Und: Jedes der Bcher htte gewonnen wenn es mindestens 30 % krzer gewesen wre. Fazit: nicht einmal zum Einschlafen geeignet, da man sich zu sehr ber die Figuren rgert. Wie so oft rentiert es sich nicht ber Prime ein Buch auszuleihen, da die Qualitt zu wnschen brig lt. 0 von 0 Kunden fanden die folgende Rezension hilfreich. And the author continues... Von Eva... to keep the reader in suspense. From the beginning on the reader is curious to find out about the second sister's secret. This book is artfully intertwined with the first, but this time you learn about what's happening from two different points of view. The male hero has been dealt his share of misfortunes, which makes the reader hope for some happiness in his life. I loved how the author did not shy away from another difficult topic and with how much sensitivity she deals with it. I'm not going into detail here, because I don't want to spoil it for other readers. The ending is great and makes the reader wonder how the sisters journeys will continue. I can only repeat myself: Overall it was an exciting, joyful journey, seeing the characters struggling with their inner demons. The story grabbed me from the beginning... I couldn't put the book down. The author has a sure instinct concerning sensitive topics and understands to lighten the mood with witty and funny remarks. At times I wondered if the main characters were going to get there and felt like shaking some sense into them... an awesome read. I'd definitely recommend this book to anyone who loves Jane Austen's novels and is interested in the regency period.

Kurzbeschreibung Annabelle Johnson has a secret. It could ruin her. But yet, she remained in a darkened room with a gentleman. Perhaps it was because for the first time she felt safe in a gentlemans company. Compromised and hiding a damning secret was never going to be a good mix. Annabelle had to think of something before her secret ruined her and hurt the man she had married. Lord Stannage, Earl of Garston was a handsome man. A pity then that everyone who met him only noticed his different coloured eyes. In a society that only perfection was accepted, he was never going to feel welcomed. He avoids society apart from when he becomes too lonely. Two people, both hurting and afraid, needing each others strength before their living nightmare can ease. Will they find the courage to trust and listen to each other, or will they continue on their path to heartbreak? Kurzbeschreibung Annabelle Johnson has a secret. It could ruin her.
