Von Christina Ross : Annihilate Me (Vol. 2) (The Annihilate Me Series) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Annihilate Me (Vol. 2) (The Annihilate Me Series) (English Edition):

Kurzbeschreibung Jennifer's life is reeling out of control. Now, there is no denying her feelings for Alex--or his for her. After spending one night together, he took her to heights she never thought was possible. The passion they shared in that one moment is something she can't shake, and it consumes her, throwing her off her game. But this is no game. What they have is real. Still, even as events start to pull them close together, other events threaten to tear them apart. A threat is revealed. People aren't who they appear to be. And then there is their arrangement. Once, she was Alex's employee, the one woman who was hired to make certain he wasn't distracted from his work. Even though they are now in a committed relationship, what will that mean for Jennifer when she agrees to become his employee again? Will their relationship survive a threat to end Alex's life? Or will it fail under the pressure to keep him--and her--alive?

ber den Autor und weitere Mitwirkende Christina Ross began writing on nights and weekends while working as an intern for an international, iconic fashion magazine. After eight years, she left that position as an editor. Many of Christina's narratives reflect her background as an insider in the world of fashion. Now, with a successful fashion career behind her, Christina divides her time between her apartment on Park Avenue in Manhattan and her pied-a-terre on the Ile St. Louis in Paris. Christina enjoys long walks along the Seine, and on Fifth Avenue in New York, where she likes to shop. She also loves spending quality time with her girlfriends in both locations. A lifelong animal-lover, Christina's favorite charity is the ASPCA, to which she encourages all her readers to contribute.
