Von Mary Lydon Simonsen : Another Place in Time (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Another Place in Time (English Edition):

ZeitreiseVon uli ulrichEine weitere Adaption von PP.Eigentlich sehr unterhaltsam geschrieben, aber mir ist irgendwie entgangen warum die Heldin diese Zeitreise antreten muss und warum Mr. Darcy pltzlich in der Jetztzeit auftaucht, wahrscheinlich damit dies eine spannende und unterhaltsame Geschichte gibt.Die Heldin kann natrlich nie Elisabeth

Bennet ersetzen, aber Richard Fitzwilliam bekommt auch seinen Lohn. Am Anfang etwas mhsam, aber schliesslich dann doch vergnglich zu lesen.

Kurzbeschreibung In the time-travel romance, Another Place in Time, Fitzwilliam Darcy learns of the existence of Elizabeth Bennet from Hannah and Jacob Caswell, time travelers from the twenty-first century. When Darcys offer of marriage is rejected at Hunsford Parsonage, the Caswells advise Darcy to visit the future and seek the assistance of an expert on Jane Austen and the Regency Era. When Darcy arrives in Baltimore in 2012, he finds Christine OMalley serving on a panel at a Jane Austen conference. Although his arrival is a crowd pleaser, Chris is upset that an actor, impersonating Mr. Darcy, has stolen the show. After a rocky start, Chris agrees to go with Darcy to the past to help him sort out the mess with Elizabeth. While plans are being made for Darcy to capture the heart and hand of Elizabeth Bennet, Chris, who has experienced her own heartache, finds she is falling for Darcys cousin, Colonel Fitzwilliam. With her sensibilities firmly rooted in the future, will Chris be able to find happiness with a man who occupies another place in time?
