Paranormal mysteryVon cheshirecatA pleasant read with a quirky sense of humor about an all-female family of witches that gets involved in two gruesome murders. They somehow manage to solve the case with the help of some ghosts, a bad-boy biker, the local sheriff and lots and lots of bickering among each other.

KurzbeschreibungBay Winchester is having a tough week.As the local editor of Hemlock Cove's only newspaper, she just happens to be present when a body is found in an area corn maze. To make matters worse, the police believe the murder may have something to do with the occult.This wouldn't be a problem for a normal reporter, but since Bay is descended from a well-known line of actual witches, the town is understandably on edge.Between the suspicious townspeople, the befuddled police presence and that random hot biker guy that may or may not have something to do with the murder -- Bay has her hands full.When you add the typical family problems, multiplying ghosts -- and one monster of a zit that she's sure came from her aunt's curse -- Bay is just struggling to make it through the week.Of course, when the killer sets his sights on Bay, things could get a whole lot worse.Note: These books are full of sarcasm and are a little bit snarky -- so read only if you like to laugh and you aren't easily offended. This is the first book in the Wicked Witches of the Midwest mystery series.KurzbeschreibungBay Winchester is having a tough week.As the local editor of Hemlock Cove's only newspaper, she just happens to be present when a body is found in an area corn maze. I flirted with being a Jedi Knight for awhile, but I wasn't up for the intense travel associated with the gig. In my teens, I settled on being a writer -- although I had no idea the effort that would entail. Not only am I a writer now, but I'm a writer in several different mediums. I'm a longtime newspaper reporter, an avid reader and a voracious science fiction fanatic. Like me on Facebook at <https://www.facebook.com/AuthorAmandaMLee> . Follow me on Twitter at @yodaoneforme.
