Riesen-LesepaVon -Kunde"Arash Shadow Hunt" wurde mir von einer Freundin empfohlen - und ehrlich gesagt war ich am Anfang eher skeptisch. Doch diese Skepsis hat sich rasch in Luft aufgelöst, als ich mit der Hauptfigur Livia, einer unangepassten Studentin, die ihren Platz in der Gesellschaft sucht, eine vllig neue Welt aus dem Fantasy-Universum entdeckte. Starke Gefhle prgen diese Begegnung mit den Arash, geheimnisvollen Wesen, die ber auergewöhnlichen

Fligkeiten verfliegen. Der Spagat zwischen der Realität und der Parallelwelt sorgt für zusätzliche Spannung. Jetzt bin ich an der Reihe, diesen sehr fesselnden Roman weiter zu empfehlen und freue mich jetzt schon auf den angekündigten 2. Teil! 0 von 0 Kunden fanden die folgende Rezension hilfreich. "If you haven't read this book, buy it - right now" Von Stefan Arash the most brilliant fantasy book I have ever read. I loved this book and agree that it is a novel for ALL ages. Even if you are not a big fan of fantasy, this is one thing that you "must" read. When you read this story you think you are in the middle of it and that is fantastic. The story is great, and I cannot wait until the second part is published. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Kurzes Statement Von Sajetz Eine sehr ausführlich gestaltete Geschichte, die sich jedoch manchmal etwas in die Länge zieht. Die Charaktere sind umfassend beschrieben und stechen durch Vielfältigkeit heraus. Alles in Allem schnell zu lesen, sowie dass das Englisch einfach gehalten wurde.

Kurzbeschreibung You may have met one without even noticing. You may have kissed one and been disappointed that he or she never called you. They may have been Arash. Livia is the black sheep of her family, self-conscious and underachieving. That is, until she meets her new friends: the exuberant Natalie, her brother Rupert, the sculptor, intelligent librarian Will, stunning interior designer Ruth, and arrogant horse breeder Cassius. The group of mismatched friends makes Livia feel as if she may fit in somewhere for the first time in her life. Then she begins to suspect that her so-called friends are not who they claim to be. They hold a secret that could change Livia's life forever. Will her great love for one of them survive the challenges of becoming an immortal Arash? Will Livia herself manage to survive?
