Von Karen Swart : Archangel's Desire (Archangels' Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Archangel's Desire (Archangels' Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Pretty good PNR. 3,5 stars for a romance set in the world of archangels, hellhounds and demonsVon MinaIf you've read the Kasadya Hellhound series, which is more Urban Fantasy than Paranormal Romance, you already know the book's

protagonist Raven. But the book can be read easily as a standalone, since Raven's problems, the reason she is given into the care of Zadkiel, the Archangel of Mercy [aka Death], are revealed early in the story. I won't spoil them, but I have to admit: yes, she has problems. Boy, would I not want to switch places... but the reason for her not so social behavior is nothing Raven wants to talk to anyone about and so she does everything within her abilities to keep it from Zadkiel. Which in turn first makes him angry and then crazy. As in: she drives him crazy. But things take a turn to the worse when some prophecy is revealed that points to Raven as one of the triggers of the apocalypse and angels and Raven disagree on how it all should be stopped. The books of the Archangel's series each feature a new pair of protagonists, but all the installments will contribute to the overall story arc of the angels fighting to stop the apocalypse and to keep mankind from being destroyed. So Raven and Zadkiel's story is brought to a close here, but the [gory] fight goes on. I have to say that this is not one of the PNR that takes a lot of care of detailed world- or character building, the rather fast evolving attraction and feelings between Raven and Zadkiel and the obstacles between them are what matters here. And I liked the UF series about Kasadya more, but this is just me, I just prefer UF to PNR most of the time. What I did appreciate was the way the women in this world are warriors and just as kick*** as the men, so no Mary Sue to be found here. So if you like your paranormal romance laced with some heavy fighting and an epic background, you'll surely like the Archangels.

KurzbeschreibungWarning: This novel contains sexual content, strong language and violence and is not suitable for anyone younger than 18. Raven Black is no martyr, but she has a secret she deems worth protecting. Placed into the care of Zadkiel, the Archangel of Mercy, Raven Black tries with all her might and main to hide her deadly secret. Its difficult to know who to trust or who to confide in, but Raven knows shes unwilling to be exploited to get the Archangels greatest enemy. She seals her lips, refusing to speak and enduring the ensuing torture in silence. After centuries of nothing but duty, Zadkiel is tormented by the hellhound Raven. The closer he gets to her, the more he discovers about this lethal beauty. With each passing moment an uncontrollable desire is awakened, and with it an ancient evil is provoked. When he discovers her secret, Zadkiel must choose between all of mankind and the woman he has come to love. Can he save her in time, or will his failure bring forth the end of days? From reading to writing to blogging to helping other authors. A day without my world of books would be impossible. I am a mother of three, two boys and a little princess. Happily married for 8 years with my high school sweetheart. I live in South Africa, just on the rims of the Kalahari Desert in a small town with one shop and friendly faces.
