Von Yasmine Galenorn : Harvest Hunting: An Otherworld Novel (Otherworld Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Harvest Hunting: An Otherworld Novel

(Otherworld Series):

Kurzbeschreibung Three sisters ridding the Otherworld of evil-one monster at a time. We're the D'Artigo sisters: sexy, savvy operatives for the Otherworld Intelligence Agency. But being half-human, half-Fae means our supernatural talents can go haywire at any time. My sister Camille is a wicked good witch whose life recently took a drastic turn. Menolly's a vampire who's still getting the hang of being undead. And me? I'm Delilah, a werecat with a very interesting love life. But life isn't all fun and games. We're on the trail of the demon general who has decided that we've become quite a nuisance... It's Samhain, and the Autumn Lord has called for my training to begin with the Death Maidens...and I find that I like it. But we've got problems: werewolves are going missing and a new magical drug, "Wolf Briar," is being used as a weapon. My dear Chase and I have come to a delicate crossroads. And most dangerous of all: Stacia Bonecrusher has put a bounty on our heads. Now it's a race to take out the demon general before she realizes the sixth Spirit Seal is within her reach...
