**Von M.C. Beaton : Hasty Death (Edwardian Murder Mysteries)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hasty Death (Edwardian Murder Mysteries):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. geniales SequelVon S. WernerIm zweiten Roman der Reihe erfflt sich endlich Rose' Traum, zur arbeitenden Bevlkerung zu gehren. Beaton erffnet die Geschichte mit einer gesellschaftlichen Ungehrigkeit der Zeit - und webt daraus eine unterhaltsame, spannende Geschichte. Beim Lesen wechseln sich Spannung und Lachen perfekt ab, ich konnte das

Buch gar nicht mehr aus der Hand legen. Wenn überhaupt hat sie sich seit *Snobbery with Violence* nur gesteigert. Hiervon will man immer mehr.

**Kurzbeschreibung**The future's not so rosy for Lady Rose Summer . . .Longing for a life of emancipation, Lady Rose Summer has abandoned the comforts of her parent's house to become self supporting. But life as a working woman isn't quite as liberating as Rose has imagined - fortunately for her, though, her drudgery comes to an end when old acquaintance Freddy Pomfret is murdered and her help - and upper class connections - are required by amateur sleuth Captain Harry Cathcart. So as Rose and Harry prepare to take on the usual Edwardian social rounds, little do they expect to uncover a devious blackmail plot and an unexpected killer. From Publishers Weekly Lady Rose Summer, the willful, spoiled and charming heroine of British veteran Chesney's light historical series that began with 2003's *Snobbery with Violence*, decides to break the class barriers and go out into the working world with her maid Daisy. Their adventures include a kidnapping, narrow escapes, a daring rescue and of course murder. After returning to the comforts of her London home, Lady Rose turns to dashing Captain Harry Cathcart, a Boer War veteran turned detective, for aid in solving the murder. Once again Chesney has concocted an amusing brew of mystery and romance that will keep her fans turning the pages. Copyright Reed Business Information, a division of Reed Elsevier Inc.
