Wow. Von Jasmin. Eines der besten Bücher, die ich dieses Jahr, gelesen habe. Und das ist wirklich noch untertrieben.  
Wow, wow, wow und wow.

Kurzbeschreibung  
Roses are red, Violets are blue. Life can be messy, And love can be too. Most people say that its not important where youre going, but instead, how you get there. Unfortunately for me, the journey to love was absolutely agonizing. Love and Hate wrestled with my life day after day, year after year, and the only way to stop it was to let one of them win. Which one? I fought to love harder. But I loathe my love story. Warning: This standalone novel contains explicit language, sexual content, and potential triggers.

Laurel Ulen Curtis is a 27 year old mother of one. She lives with her husband and son (and cat!) in New Jersey, but grew up all over the United States. She graduated from Rutgers University in 2009 with a Bachelor of Science in Meteorology, and puts that to almost no use other than forecasting for her friends and writing a storm chasing heroine! She has a passion for her family, laughing, and reading and writing Romance novels. Shes also addicted to Coke. The drink, not the drug.
