Eigentlich nur 2,5 SterneVon Tina G.Die Geschichte an sich wre nicht schlecht, aber leider ist die Ausfhrung nicht

gelungen. Ich gebe drei Sterne, da ich bis zum Schluss durchgehalten habe. Hailey, Tochter aus reichem Hause, und Cole, Bodyguard und Mann für schwierige Fälle, lernen sich bei einem Skandal in ihrer Familie kennen. Habe keine Chemie zwischen den Beiden gespürt, bei seiner Vergangenheit erfährt man nichts, obwohl immer wieder Andeutungen gemacht wurden und die Hintergrundgeschichte fand ich etwas verwirrend.

Kurzbeschreibung*** USA TODAY TOP 100 BESTSELLER! *****AMAZON TOP 25 BESTSELLER!

WARNING: Not a dark romance. Hot, dirty, snarky and funny...with a second helping of hot, this series is about ex-military alphas coming undone for the women they fall hard and fast over. The way they come together is filthy, the flirting is unexpectedly sweet, and the fighting is just foreplay to do it all over again. Cole: I push her buttons. I want to push them in the good way. Dirty, up-against-the-wall, my-hand-in-her-pants kind of way. But that's not possible, because I'm dark and she's light, and we both know it. So I push her buttons in the bad way, making her hate me. Hailey: If a genie granted me three wishes, I'd ask for Cole Parker to never look at me again, that I'd forget the dark promise in his eyes, and that just once, before he vanished from my life completely, that he'd push me up against a wall and make me scream. Then I'd go wash my mouth out with soap. This story was originally published in a three-part serial. Those are included, as well as a bonus postscript section at the back with two additional scenes. This is the complete story of Cole Parker and Hailey Dashford Reid. The Horus Group stories continue in the Forbidden Bodyguard series with *Booty Call* (Ali Reid and Scott Mayfair)...and *Dirty Love* (Wilson Carter and Tabitha Leighton).
