Kurzweiliges modernes MrchenVon LoveLetter MagazinKaty Orville, arbeitslose Verfasserin technischer Handbcher, trumt von einem englischen Mrchenprinzen, inklusive Adelstitel und eigenem Schloss. Um diesen Traum endlich zu verwirklichen, plndert sie ihr Bankkonto und fliegt auf der Suche nach dem richtigen Lord nach London. Schon am ersten Tag luft sie dort Will Eland vor den Lieferwagen. Sie fhlt sich sofort zu ihm hingezogen, aber er ist absolut nicht das, was sie sucht: Er baut organisches Gemse an und das offensichtlich nicht einmal besonders erfolgreich. Doch obwohl es ihr mit Hilfe einer einfallsreichen Verkuferin des Nobelkaufhauses Selfridges gelingt, sich in die oberste Gesellschaftsschicht einzuschleichen, geht ihr Will nicht aus dem Kopf. Und whrend sie pltzlich durch eine Klatschblattmeldung fr eine Millionenerbin gehalten wird, ringt Will mit sich, ob er ihr gestehen soll, dass er ein waschechter Duke mit eigenem, wenn auch renovierungsbedrftigem Landsitz ist ...Lisa Cachs Roman um die Abenteuer des amerikanischen Aschenputtels Katy Orville in der Welt des britischen Hochadels ist einfallsreich und sehr ansant zu lesen. Der Magie-Anteil ist verschwindend gering und verpasst dem Buch nur gerade den richtigen Feenglanz eines perfekten modernen Mrchens. Kurzweilig, vergnglich und mit einem gelungenen Ende ist dieser Roman auch fr Leserinnen empfehlenswert, die bisher sowohl um Londoner Chicklit als auch um Mrchen-Romances lieber einen groen Bogen gemacht haben.

KurzbeschreibungSingle twentysomething seeks Prince Charming. Those without royal castles need not apply. Inspired by a famous talk show host to "live her best life," out-of-work tech writer Katy Orville flies off to London to find the man of her dreams. But in order to catch a prince, she has to shed her all-American girl image and transform herself into a hip, fashionable heiress. Can she really pull it off? Will she? At a society wedding, it seems like a dream come true when a handsome man in a formal kilt begins a hot pursuit, clearly smitten with Katy. Unfortunately, Will Eland is more interested in rebuilding some old estate in the countryside than in partying with the aristos -- how can she be attracted to Mr. Handyman when she's looking for a nobleman? But appearances can be deceiving, as Katy well knows. Sometimes a prince is disguised as a pauper -- and sometimes an ordinary bloke is really a duke. And she hopes that playing make-believe hasn't ruined her chance for happily ever after....From BooklistKaty Orville is an unemployed technical writer suffering from depression in Seattle. Afraid of returning to the poverty of her childhood, she has an MM-induced epiphany and decides to follow the dictates of her sage, Oprah, and develop a "life map" to find her true self--and an English aristocrat. She travels to London and stays at a very strange bed-and-breakfast, where the Wiccan landlady sends her to the Tower of London. Organic farmer Will Eland is going to a wedding at the tower, and after nearly running her down, he assumes that she is also attending the ceremony and escorts her there, thus effecting Katy's introduction into society. Katy is attracted to Will, but her childhood fears about money prevent her from taking him seriously; if she only knew that he is a duke. Cachs's grown-up fairy tale, complete with a moral and a touch of magic, is a fun diversion. Patty EngelmannCopyright American Library Association.
