**Kurzbeschreibung**Liz Ward believed that it was possible to have it all. A glittering career, a successful marriage and a happy family. But it doesn't take too long for Liz to realise that taking the job of programme controller at Metro TV could be the biggest mistake of her life. When she confesses to her friends, they are scandalized Liz is their role model and she is shattering the myth they must all live by. But she is tired of pretending that there is no price to pay for her success. She has the big house, a good-looking husband, beautiful children and a wonderful nanny, but she misses the small things which make up family life: meal times, bedtime stories, school events, time alone with her husband. Time to think. Liz makes a life-changing choice, not only for her but for those around her. Did she make the right decision. Only time will tell. Witty, provocative, compassionate, *Having It All* captures the dilemmas of a generation. It is for everyone woman who works and misses her children, and for every woman who stays at home and wonders if she's missing out.**Pressestimmen**'It will make you laugh, cry and re-think your life' Jilly Cooper**Werbetext**Your husband. Your children. Your career. Who is the winner in the end?
