Von Christine Kersey : He Loves Me Not (Lily's Story, Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised He Loves Me Not (Lily's Story, Book 1) (English Edition):

Almost true lifeVon BirgitThe story contains love at first sight, breakup, heartache,to quick marriage, abuse, pregnancy and escape. All of theabove starts to happen to the orphan Lily at her first day incollege.The story is well written and I would like to begin, actually,immediately with the next book in the series. Finally, I wouldlike to know wether Lily

gets her HEA, or not. Most characters are well-developed, however, at some places the story leaves much to be desired. It has nevertheless given pleasure to me reading this book about the almost true life. I voluntarily reviewed an Advance Reader Copy of this book. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Not as good as expected. Von Barbara Tsipouras Well, I was a little bit disappointed. I had read two other books of the author and expected something better. The sad thing is: there are a lot of couples living in such abusive relationships and it always takes two to get there.

Kurzbeschreibung CHOOSE YOUR BOYFRIEND WISELY This is the first book in the Lily's Story saga. When college student Lily Jamison receives an ominous note telling her to "Stay away from him", she convinces herself it's a mistake. After all, she's barely met the two men it could be referring to. But as she begins to fall for the man with the striking blue eyes, the disturbing messages increase. Refusing to believe warnings from an anonymous sender, and trusting her own heart, Lily presses forward with her relationship, eventually coming to understand the meaning behind the messages as she fears for her life. **He Loves Me Not** is a clean romantic suspense novel. **BONUS:** Includes the first chapter of *Don't Look Back* (Lily's Story, Book 2). **Kurzbeschreibung CHOOSE YOUR BOYFRIEND WISELY** This is the first book in the Lily's Story saga.
