So sweet that Tanner is so eager in finding his mate though he is right before is eyes...or siiting in a cubicle in front of his office. That he is so patient and loving with cute Jon, really heartwarming. Jon is really a lucky one with such an Alpha as mate.0 von 0 Kunden fanden die folgende Rezension hilfreich. wowVon CustomerIt was really nice how they met and I had a feeling that it would be just that easy although

some Dates were really horrible but im glad that they found each other... I wonder if there's gonna be a sequel to their adventures

KurzbeschreibungWhen Tanner moves to Chicago for a new job, he experiences his First Shift, a revelation that signifies hes met his mate since the last full moon. The only problem? He doesn't know who it is. To find his mate, he enlists his new assistant Jon to arrange a series of dates, but each one turns out more disastrous than the last. With the next full moon quickly approaching, Tanner finally determines the identity of his true mate. Unfortunately, Jon has since disappeared, and Tanner must now begin a new search. Is it really Jons family crisis pulling him away, or is Jon just not that into him?KurzbeschreibungWhen Tanner moves to Chicago for a new job, he experiences his First Shift, a revelation that signifies hes met his mate since the last full moon.
