**Von Susan Andersen : Head Over Heels** before purchasing it in order to gage whether or not it would be worth my time, and all praised Head Over Heels:

KundenrezensionenHilfreichste Kundenrezensionen33 von 35 Kunden fanden die folgende Rezension hilfreich. I am Head over Heels in Love with Susan Andersen's new bookVon Ein KundeI am Head over Heels in Love with Susan Andersen's new book.Die Handlung spielt in einer Amerikanischen Kleinstadt namens Fossil, Washington, mit ihren

typischen Snobs, Tratschen und all den Normalsterblichen von der "falschen" Seite der Stadt. Veronica Davis hat sich zwar geschworen nie wieder in ihre Heimatstadt zurückzukehren und schon gar nicht in die Bar Honky Tonk ihrer Familie, doch was bleibt ihr anderes übrig als sie von einem Job in Europa als Innendekorateurin zurückkehrt und erfährt, dass ihre Schwester ermordet und ihre Nichte Lizzy praktisch verweist ist, weil der leibliche Vater dieser Tat beschuldigt wird nun auch noch geflüchtet ist. Ja und dann ist da auch noch Coop, Lizzy's Onkel der Ex Marine, der Inkognito als Barkeeper im Tonk arbeitet. Er will die Unschuld seines Halbbruder beweisen und nutzt die Bar um irgendeinen Ansatzpunkt zu finden. Veronica's Freundin hat einfachheitshalber Cooper auch in der Dachwohnung im Haus von Veronica's Schwester einquartiert. Was natürlich die Sache nicht einfacher macht, als Veronica endlich in Fossil ankommt und sich die beiden samt Lizzy das Haus teilen. ;-)HOT Und dann gibt es ja noch den Mörder .....

**Kurzbeschreibung** Who said, "you can't go home again"? In Veronica Davis's case, who'd want to especially when you hail from Fossil, Washington? But now she's back among the kooks and crazies, the small-time losers and the jerks who think she's fair game just because she's in a waitress uniform. The truth is, Veronica's the boss at least until she can sell the family saloon and skip town again as fast as her pretty legs can carry her and nobody knows that better than Cooper Blackstock. From his place behind the bar, the former Special Forces Marine sees everything. And his undercover agenda has made the feisty boss-lady's troubles his own. And her troubles are considerable, what with a family in turmoil, a pseudo-bartender with dangerous secrets, a murder investigation and death threats. Though the town surprisingly rallies in support, it's still a good thing that Cooper will be there to catch Veronica if she stumbles if he doesn't start falling himself. From Publishers Weekly Coming one year after Andersen's highly praised *All Shook Up*, this frisky romantic caper lacks the effervescent humor of her previous book but compensates with its true-to-life characters and careful treatment of complex issues such as trust and acceptance. Seattle-based restoration designer Veronica Davis never thought she'd waitress at her family's bar, the Honky Tonk, again. But when her ne'er-do-well sister, Crystal, is murdered and the accused Crystal's estranged ex, Eddie skips bail, Veronica finds herself filling in at the Tonk and taking care of her six-year-old niece. Her time at the bar would be almost bearable if it weren't for the Tonk's antagonistic bartender, Cooper Blackstock, an ex-marine who assumes that she's merely a replica of her conniving sister. Fortunately, Cooper's stupidity doesn't last long, and the two become engaged in a heated affair. Before they can think of building a future together, however, Veronica must learn to accept Cooper for who he is and Cooper must come clean about his relationship to Eddie. This novel deals with weightier themes than Andersen's earlier titles, but it still sparkles with all the elements that her readers adore: upbeat dialogue, strong sexual chemistry, a touch of suspense and a dash of humor. (On sale Jan. 8) Forecast: According to Avon, Andersen is "poised for superstardom like Susan Elizabeth Phillips," and they may not be far off the mark. A glowing cover quote by Jayne Ann Krentz and advertising in *Redbook* and the *Romantic Times* will help this Avon Superleader become a super seller. Copyright 2001 Cahners Business Information, Inc. **Pressestimmen** Bright, smart, sexy, thoroughly entertaining. (Jayne Ann Krentz)
